"I've been watching 3ABN for two years and learned about God's Sabbath from 3ABN. Money is very tight right now, but I'd like to continue donating to the Blessing Is on the "GO!" The monthly evangelism tool is so helpful to my spiritual growth!"

Dear 3ABN Supporter,

You make it possible for us to continue sharing the undiluted three angels' messages with millions in Russia, and beyond!

CELEBRATING EVANGELISM 3ABN Russia Turns 25!

Twenty-five years ago, 3ABN's ministry in Russia began as we participated in The Carter Report's evangelistic campaign in Nizhny Novgorod—a city closed to foreign visitors for decades during the Soviet era. Thousands of new Christians, baptized during Pastor Carter's campaign in 1992, created a tremendous need for worship facilities. 3ABN viewers rallied in support by transforming an abandoned factory into the 3ABN Russia Evangelism Center and studios. Today, millions of Russian-speaking people receive our Christ-centered programming by satellite, cable, and broadcast stations across that vast continent!

"What better way is there to celebrate 3ABN Russia's anniversary, than to partner again in the fall with Pastor John Carter in proclaiming the undiluted three angels' messages to those in Russia?" asks 3ABN president and CEO, Danny Shelton. "The human heart is as hungry today for the message of salvation as it has ever been, and now is our time to share the gospel while we still can!"

Julia Outkina, 3ABN Russia's executive director, heartily agrees. "An evangelistic campaign this fall is by far the best celebration—since it will be for the glory of God," she says. "However, a new law was passed last year, requiring foreign evangelists to apply for special humanitarian religious visas in order to hold public evangelistic campaigns. We have been in much prayer about this, and I believe Pastor Carter will be the first foreign evangelist to preach in Russia since it was passed. We ask all whose hearts are with 3ABN's ministry to earnestly pray for this evangelistic campaign, since there are so many who still haven't heard about Jesus."

Dear 3ABN Family,

We are living in changing times—especially now, after the new President of the United States has taken office. Some Christians are excited about the possibilities while others are worried. In fact, some have even been concerned about developments that could lead to the Sunday law. But whatever the political climate of our nation or the world, whatever side of the issue we're on, we can still trust God! After all, He's been governing the affairs of

men since the beginning of time. The Bible tells us, "Great peace have they which love Thy law, and nothing shall offend them." Psalm 119:165 (KJV).

Everywhere we look, we see signs of the times: political uncertainty and unrest, a culture war on the principles found in God's Word, natural disasters—and the list goes on! At 3ABN, we feel such an urgency to proclaim the undiluted three angels' messages to a lost and dying world while there's still time. Won't you join us? Instead of focusing on the uncertainties in this world, put your money and energies into something with eternal value! Support this ministry while the gospel can still be preached, and soon you will hear the words, "Well done, good and faithful servant." Matthew 25:23.

"There is means now tied up that should be in use for the unworked cities in Europe, Australia, and America, and in the regions beyond. These cities have been neglected for years. The angels of God are waiting for us to give our labors for their inhabitants."

OPENHEARTED DEVOTION

When Christ witnessed a poor widow throw her last "two mites" into the Temple treasury, He was moved by her generosity and called His disciples together to commend her sacrificial giving (Mark 12:42–44).

Openhearted devotion to God's purposes is still a heart-stirring act today. A viewer in Portugal wrote to thank us for all the "GO!" Evangelism tools we've sent. In earlier correspondence, she had indicated she was without Internet access, because finances were tight. However, she has faithfully given 20 euros each month as a Blessing Is on the "GO!" Team member. Her heart was moved when she recently heard 3ABN president and CEO, Danny Shelton, mention a dear viewer who had given all she could. "When I told my husband about her, tears came down from his eyes," she wrote, "so I'm sending my 20 euros, and another 20 for the dear lady who can only give 70 cents."

Such devotion to support world evangelism must stir the heart of Heaven. I know these acts of sacrificial giving certainly quickened ours. ☺

"I SAW YOU ON TV!"

VICKY WAS HOOKED!

Philippine Ambassador, Bienvenido Tejano, was invited to speak at one of the largest Seventh-day Adventist churches in that country, with thousands in attendance. He spoke about 3ABN, sharing some of the early miracles, but when he asked to see the hands of those who had been blessed or baptized through 3ABN, he was surprised when hundreds of hands went up. "One woman caught my attention," he says, "but I couldn't remember where I knew her from." The woman turned out to be Vicky, his former secretary, who had been prejudiced against God. When he invited her on stage, she shared that after her TV was repaired, the first station to come on was 3ABN. "In a few seconds, I *saw you on TV*, so I kept watching," she said. "And after learning about the Seventh-day Adventist beliefs, I wasn't able to stop watching until I got baptized!" What an amazing story!

"Our time is short," Ambassador Tejano says, "so let's work together. And I promise that wherever I'm working as ambassador, I'll continue promoting this ministry." ☺
