## BEARING FRUIT

Aging is humbling, and recently, a precious 93-year-old viewer wrote to explain that she couldn't walk or hear well. 3ABN has become her Sabbath School and church, because she can turn the volume as high as she needs.

Advanced age has robbed her of physical vitality, but certainly not of spiritual vitality. She returns a faithful tithe to the church, supports her local church school, and has been a proud member of the "GO!" Evangelistic Team since December, 2015. Her \$50 monthly donation is sacrificial giving on her part, but recognizing how costly and how vital our 24/7 global evangelism is, she expressed concern she couldn't do more to support 3ABN.

This dear lady epitomizes Psalm 92:14: "They shall still bear fruit in old age; they shall be fresh and flourishing." God's constant presence in her life motivates her to express appreciation for her Savior, and to spread His salvation message worldwide. Old age has not diminished her spiritual vitality, but simply ripened the sweetness of her fruit. ☺

*"The most tender regard should be cherished for those whose life interest has been bound up with the work of God. These aged workers have stood faithful amid storm and trial. They may have infirmities, but they still possess talents that qualify them to stand in their place in God's cause."*

— Ellen G. White, *Acts of the Apostles*, p. 573

## New CD – "Magnify Him"

A brand new CD with Yvonne Lewis called, *Magnify Him*, is now available from 3ABN Music, and although it has been in the making for several years, Yvonne says she believes that God's timing is always perfect. "Many times I'd go into the studio to record, and my voice just wasn't right," she recalls. "But recently, the Lord blessed it, and I was able to sing them, one after another!"

"Some time ago, I asked the Lord for a theme song to be used on a Dare to Dream program," Yvonne says, "and that's when I wrote, 'Magnify Him.' The other songs are a combination of ones I've sung for various 3ABN projects, along with other songs I've never performed anywhere," she adds. "For me, this is an evangelistic tool; and my prayer is that there be such an anointing on this project that souls will be won for God's kingdom!"

Yvonne points out that certain record companies have a room where evil people pray for their records' success. "Those projects go out with demons attached to them. However, my prayer is to send out this CD with heavenly angels and the Holy Spirit attached to it, so listeners might have a spiritual awakening and worship our wonderful God through these songs!" ☺

Donna discovered truth as she watched 3ABN, where her daughter Kristina works! "I finally have a freedom I've never had," she says.

## HOW I MET GOD

Donna Steele grew up with ten siblings at the end of the Great Depression. They were not raised in church, and God was never mentioned in their home. "In fact, there wasn't a Bible in the house!" she says. "But I always knew there was a God, because He came to me in dreams." After visiting a mansion for the first time, she says her goal suddenly became to own one. "But that night, God came to me in a dream, turned over and sat down on an old bucket, and talked to me about life's values. I was not to seek the things of this world, but to seek love to spread out to others," she recalls. When Donna's parents divorced, she began attending her grandmother's Baptist church, and at the tender age of nine she answered an altar call and was baptized. After she married, she began attending her husband's Pente-

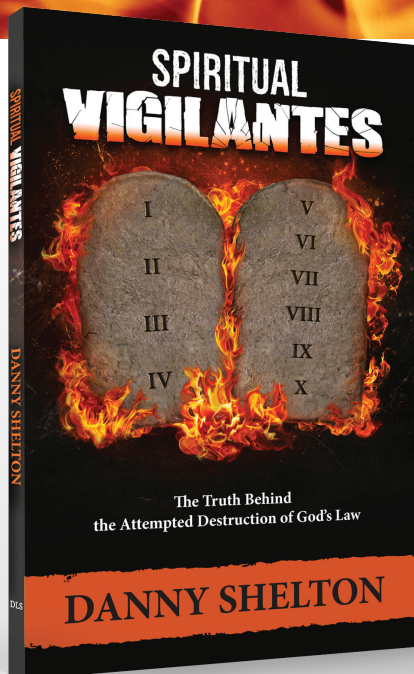

costal church. "The people were loud," she says, "and I didn't like it. But it was church, so I kept going." Her journey took her through the Nazarenes, Catholicism, and even the Native American beliefs, but there was always something missing. "I look back now and I realize that although I had loved and known about God all my life, I'd never met Him," she admits. Then, several years ago, Donna moved to southern Illinois to help her daughter Kristina, who works for 3ABN. "At that point, I wasn't going to church, because I didn't feel like I belonged anywhere," she says, "but Kristina kept mentioning her co-workers at 3ABN, so I began watching. I liked listening to Shelley Quinn, and soon I fell in love with the preaching of CA Murray, David Asscherick, and Kenneth Cox. Then one day, I met Danny Shelton and suddenly we were talking about the seventh-day Sabbath. I'd

been taught that it was just for the Jews, but as I continued studying what Jesus said, everything lined up! *Then I knew!*"

She began attending the Thompsonville Seventh-day Adventist Church, and says, "Everything I heard was backed up directly in the Bible, and I've been there from that point on.

"It's an amazing journey, and at 75 years of age, I finally have a freedom I've never had. No matter what happens, I just trust God!" ☺

## SPIRITUAL VIGILANTES

**IT'S HERE!**

[3ABN.tv/spiritual-vigilantes](http://3ABN.tv/spiritual-vigilantes)

Are you tired of political correctness? Do you feel that you are pummeled by the left, or pressured by the right? Has common sense become a thing of the past? When you watch or listen to the news, do you feel like politically biased journalists are trying to force their views down your throat? Are Christian churches drifting further and further away from biblical principles? Is America on a downward spiral? Could it be that God is withdrawing His Holy Spirit from this great nation of ours?

*Spiritual Vigilantes*, the latest book by Danny Shelton, presents a "no holds barred" approach to finding answers as to why America is more divided by politics, race, and religion than at any other time in history.

Danny gives a compelling argument that the Christian church is in the midst of extreme spiritual warfare, with its members being tossed to and fro with every wind of false doctrine. The Bible says in 2 Timothy 4:3-4, "For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; and they will turn their ears away from the truth, and be turned aside to fables."

In this book, *Spiritual Vigilantes*, you will see how the government, as well as many Christian churches, attempt to change God's eternal Ten Commandment Law. This book is a wake-up call to all those who seek to worship God in spirit and in truth. ☺

**Viewer in Tobolsk, Tyumen Region, Russia [to our 3ABN Russia staff]:** “I wonder: Does the book of Revelation have a special impact on the lives of people in our time? Is it true that we are living in the last days of this earth? I want to find the answers to these questions and your programs are very helpful. Thank you!”

**Jane from Coalfield, Tennessee:** “I recently had DISH Network installed, and I really enjoy your uplifting programs. Our Sabbath School teacher says he’d never heard of Seventh-day Adventists till he found 3ABN, listened, believed, and began searching for a church to attend. Someone told him the nearest church was in Knoxville, 30 miles away. Then one day, he says the Lord led him onto a road he’d never traveled, and there was my Coalfield Seventh-day Adventist Church. Praise the Lord!”

**Bob from Fort Dodge, Iowa:** “Please accept my gift for your network, so you may carry on blessing others with your message about our Lord Jesus Christ and His Word. I have been a Christian now for about two years, and in my journey, God has led me to 3ABN. Your network teaches the Word completely—as it should be taught—and to keep all of His commandments, including the Sabbath.”

**Dominique, via e-mail:** “Thank God for 3ABN. The Holy Spirit constantly uses your programs to teach me how to pray. This network is such a blessing to my whole family! My eight-year-old takes out his Bible and sits and watches the Sabbath School Panel. My two-year-old loves singing the *3ABN Today* introductory song, ‘Mending Broken People.’ My eight-month-old loves *Kids Time*. One of my husband’s favorite programs is

*It Is Written*. Each program I watch softens my heart, convicts me of sin, and encourages me to be a better example to my family first. God bless all of you! I will continue to pray for your strength in the Lord.”

**Diane via e-mail:** “I leave 3ABN on all night while sleeping to keep my awful nightmares away. I listen in my sleep and have the Lord there, talking to me!”

**Jackie from Monona, Wisconsin:** “We wanted to let Tim Parton know how we were blessed with his music. My husband has advanced Parkinson’s Disease, so we can no longer attend our Madison Seventh-day Adventist Church. 3ABN is our inspiration, especially during the Sabbath hours. To show our appreciation, we are enclosing an extra gift. Thank you!”
