PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

A few months ago Jill and I had to fly across the country. It was our first time flying since the COVID-19 pandemic hit the world. To help keep the disease from spreading to others, there are many new safety regulations for flying. One of those is the use of a face mask while waiting in the airport and flying in the airplane.

As Jill and I approached the TSA security checkpoint desk to show them our photo IDs, they had a simple request for both of us—please pull your face mask down below your chin so we can see your whole face. Why? Our face was veiled behind the mask, so they couldn't tell if it was really us, compared to our photo ID.

This question got my mind to thinking about 3ABN and how our commission from the Lord over 35 years ago was to preach the undiluted three angels' messages of 14. The definition of the word undiluted is: "not diminished, weakened, or restrained in any way; pure." 3ABN is not about masking the truth, but about proclaiming it, loud and clear, to the entire world. The religious freedoms many of us are privileged to have can be seen slipping away. I believe we have a very short time left to proclaim the gospel message of Jesus Christ.

A letter came across my desk this morning from someone who was Muslim, but found the Bible truth partly through 3ABN, and now has become a Seventh-day Adventist. Praise the Lord! Thank you for what each of you do in helping us spread the clear, pure truth of the Bible to those seeking for the Lord.

FALL CAMP MEETING 2020

"Turn Up the Light!"

by Bobby Davis

SEPTEMBER 23-26

Time with family is so important, and we wanted to see you in person this year. But sadly, the steady increase of COVID-19 cases in our region gave us pause. It has not been easy to arrive at our decision, but after much prayer, we feel the Lord has impressed us strongly to have a virtual, interactive camp meeting, instead. **CLICK HERE TO REGISTER.**

As we approach our 3ABN Homecoming camp meeting this year, how different things look! Our world has changed so quickly and drastically. However, it has just sharpened our resolve and underscored the urgency of proclaiming the three angels' messages of Revelation 14 to every dark corner of our world.

GOD'S WARNING

Pastor John Lomacang will be our main speaker, and he's excited to present our "Turn Up the Light" theme this year. "We are living at the most pivotal hour in history," he explains. "Everyone's destiny is about to be decided for eternity. It's life or death for Earth's inhabitants. No one is exempt. It's the final showdown between light and darkness. You must choose sides.

The conveyor belt of time is transporting humanity to its final moment. The question in this hour of decision is, "Where will you stand?"

"But wait a minute! Where is God's warning? The United Nations, the European Commission, and even

disaster managers worldwide have a Global Disaster Alert and Coordination System to prevent the collapse of society in times of crisis.

"Well, God also has a Global Warning System—the three angels' messages of Revelation 14! The good news is, all you need to receive it is a Bible and a receptive heart. It's God's SOS, shaped for every race, every class, and every socio-economic group, exposing the judgment and destiny of humanity."

Our 3ABN Homecoming will be held from Thursday, September 24 through Saturday, September 26, right here in our 3ABN Worship Center. We will have delicious free meals prepared by our extraordinary chef and friend, Melody Caviness, plenty of RV parking, and meetings for children of all ages. But we need to know if you're coming so we can plan accordingly.

Jill Morikone, 3ABN's Vice President and COO, says, "We are very busy preparing for this exciting event, and even during this time of social distancing, we look forward to connecting with you, our 3ABN Family! We hope you'll join us for an in-depth study of God's Word, anointed music, and, most importantly, time spent with our Savior and with each other."

KEEPING EVERYONE SAFE

We're taking all possible precautions to ensure everyone's safety during this pandemic, and because of this, we need your help in planning. First, you'll need to visit 3ABNCampmeeting.org and register online so we can have everything ready for you when you get here. We'll need your contact information and those who will be coming with you, along with how many meals you plan to have with us. If you'd prefer, you can call 618-627-4651 during regular business hours. And finally, you'll need to sign a COVID-19 release form before attending any meetings. Please email any questions you may have to mail@3abn.org.

Our 3ABNCampmeeting.org website will have the reservation form, as well as our broadcast schedule, local accommodations, RV parking, and much more.

We look forward to seeing those of you who can come, and we know you'll be blessed by these programs, whether you're here in person or watch us from home, anywhere in the world!

God will perform ever greater and mightier miracles as we join Him in proclaiming the three angels' messages to all the world! ☺

THE THREE ANGELS' MESSAGES

IN FRENCH

by Moses Primo

At the end of 2009, 3ABN Français began streaming online, and it is truly a miracle how God has kept this channel going through the help of volunteers and our production department. There are millions of sincere French-speaking souls who are seeking Him, and they need to hear the good news of an eternal life with Jesus, in their own language.

As one of many networks in the 3ABN family, 3ABN Français operates with the same goal—to reach the world with the undiluted three angels' messages of Revelation 14.

There are 275 million people globally who speak the French language, and most of them don't have any other source of Christian contact. Some have never heard of Jesus's sacrifice on the cross for them. They don't realize they have the opportunity of accepting Jesus and being saved for eternity.

PROGRAMMING

3ABN Français is available 24 hours a day and offers a variety of programming including personal testimonies and biblical teaching. One series features Pastor José Élysée discussing End Time prophecies, and how the book of Revelation focuses on Jesus Christ, and not the enemy of souls.

We also feature some vegetarian cooking programs, and recently recorded a series of programs called, *Keys of Health*, with Lucia Tiffany.

"In this new series, we examine the biblical framework of God as Creator and Designer of our bodies, and what that implies for how we understand health and disease," she says. "We look at how the Creator's laws of nature affect the functioning of our bodies and how we must cooperate with them if we would enjoy the best health or regain health that has been lost. We do this by identifying the causes of disease and doing everything possible to remove those causes, following God's steps to health.

"When properly implemented, these simple, low-cost steps are extremely effective, because they are based on the natural remedies God has provided for our use. No matter whether we are experiencing good or poor health, we recognize God as the source of our health and healing."

In her presentations, Lucia gives practical information on nutrition, the benefits of many beautiful and flavorful foods God has provided for us, tips on dealing with fear and

stress, and how to experience the benefits of regular exercise. These are your keys to health!" she exclaims.

3ABN Français has recorded several music artists like, the Ézéchiél 37 Quartet, Samira Bolo, and other instrumental artists. Because many people are now staying home due to the global pandemic, we've also added a Sabbath School discussion program and a worship service from a church in Canada.

MAKING A DIFFERENCE

I receive emails that say, "I love to hear messages from this channel!" "Thank you for the message that you give," and "Please continue the work that you are doing."

I was thrilled to receive one that said, "My husband and I were baptized as a direct result of watching 3ABN Français!" These messages bring joy to my heart.

Rose Bolo, our Director of Programming, served for years as a volunteer, working as hard as any paid employee. She is always eager to hear from viewers, and says, "If you have any suggestion about our programs, or if you have a favorite preacher or singer, please contact us via email at 3abnfrancais@3abn.org. I will do my best to contact them and try to get them to our studio in Illinois. We also covet your prayers, and if you email us your prayer requests, we will make sure that your name will be added to our prayer partners' list around the world."

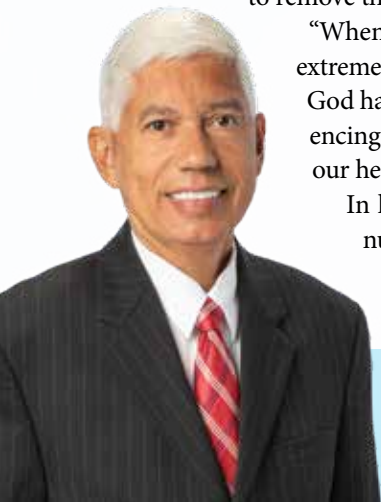

WATCHING 3ABN FRANÇAIS

There are several ways to watch 3ABN Français. If you know someone who speaks French, please direct them to watch online at 3ABNFrancais.org. They can also watch on the 3ABN App for both Apple and Android smartphones and tablets, or on other devices like Roku, Amazon Fire, or mySDAtv.org. You can also follow us on Social media on Facebook, Instagram (3ABN_Francais) and Twitter (@3ABN Francais)—as well as on YouTube Live.

There is much that can be done for those who still haven't heard about Jesus, and if the Holy Spirit impresses you to help 3ABN Français in any way, please email us at 3ABNFrancais@3ABN.org, or visit our website, 3ABNFrancais.org, and click the donate button. May the Lord bless you as you join us in reaching souls for His kingdom! ☺

3ABN Français proclaims the good news through health programming, music, and powerful preaching 24 hours a day to millions who speak French around the world.

Finding Answers

As we read the comments on our social media accounts, we quickly see that many young people are searching for truth, and are excited when they find 3ABN! Surely, God has given us powerful tools to reach young people for His kingdom. Just look at how these sincere souls are finding the answers they've longed for:

End Times Prophecy

A young man in his teens messaged us after watching a program on Revelation and the Last Days. "My name is Gabriel," he says, "and I was born a Catholic. But I stumbled upon your channel yesterday and I was in tears. I want to learn more about the Scriptures because I did something I have never done before, and that was trying to study the Bible. I can't fully concentrate, but I think I need guidance because the words and facts you provided in the video about Revelation and the Mark of the Beast has made me realize that we are already in the last days. So please, I would like to hear from you because I write you with all sincerity and honesty, I really wanna make a U-turn with my life."

Young Anthony commented on a program in Mark Finley's series, *Revelation's Ancient Discoveries*, saying, "I haven't gone to the Catholic Church for more than a year because I felt something was wrong when I started reading the Bible out of curiosity as a Christian. I don't want to be a Catholic anymore. I'm just like this pastor, questioning my church. Thank you, God, for getting me here. For all the years I haven't been going to church, I kept asking Him for an answer. My love for Christ never died. I called, and You answered. Thank you, my Lord Jesus."

Tony watched the same program on YouTube, and writes, "I have been digesting this truth for almost a week now. It really is shocking, but as the speaker says, it's better to accept the hard truth. Normal people like me won't understand Revelation because it seems too deep, no matter how we try. I have a question. What about those who died without knowing this? For example, my mom, who had faith in the Lord Jesus Christ. I'm sure she didn't know this. But Jesus was her Savior, and He is the only way to enter the kingdom of God. I believe in this testimony!"

Perfect Timing

It's interesting to hear from those who say the Lord brought them to watch the program, "Revelation's Mark of the Beast Exposed." Mindy writes, "It's pretty amazing that so many of us have landed on this message recently. This popped up in YouTube's autoplay while I was snoozing, and it woke me up!" And Joanne says, "Last night my mom asked what the seal of God's children means in Revelation, and I said, 'I'm not sure.' Then I come across this video, and now I can explain it to her. Thank you for the Word! I'm watching from New Zealand during lockdown!"

Deeper Study

Twenty-year-old Jared wrote to us from a jail in Minnesota, saying, "Dear Mr. Shelton, I got my hands on your book, *Ten Commandments Twice Removed*.... To be honest, I didn't think I was going to read it, but I was locked down in my cell the rest of the night, so I opened it up and read a little in the back of the book—enough to catch my eye on the whole Sabbath day debate. I remember reading a book last time I was here that mentioned what the true Sabbath day was. When I was released, I brought it up to my pastor and I don't remember what he said, but I know he disagreed on the Saturday Sabbath. Then I told myself I wouldn't go to church on Sundays... but longing for support and guidance, after two weeks, I went back with the thought that I was probably being fed lies from Satan. Now, I finally prayed and said, 'God, you know what way is true; and with all these religions and Bibles, I don't know what's true.' Anyway, I guess what I am asking for is some more light on the Saturday Sabbath."

"I stumbled upon your channel yesterday and I was tears.
I want to learn more about the Scriptures..."

Young Ugochi messaged us, "I enjoy the lesson study with the *3ABN Sabbath School Panel*. But I have a troubling question which is not clear yet to me on the State of the Dead. Can you send me a link to a study on this topic?"

A letter addressed to 3ABN founder, Danny Shelton, says, "Hi my name is Kelly, and I am 11 years old. When I saw your little book *After Covid-19: What's Next?* I just wanted to read it. I loved it. It helped me realize that this pandemic isn't the last one."

Anne commented on a program she watched on YouTube, saying, "For 20 years I've been going from church to church and pastor to pastor, trying to piece together the truth, but there was always a missing piece—and that piece was the Bible. There is no truth in the world, just opinions; just concepts, just a theology you can make up—any theology—from one word in the Bible. I drank the poison long enough. I finally opened the Book. Thank you for shedding light on the pathway to go."

Your prayers and faithful support of 3ABN's ministry make it possible for us to reach each of these viewers—and many others—who are seeking for truth! ☺

ANYTIME, ANYWHERE

Since the early days of the Internet, 3ABN has been committed to exploring every possible way to use this technology to proclaim the undiluted three angels' messages of Revelation 14. It became quickly apparent that Satan was using it to destroy lives, but God intended it to carry hope and salvation to every nation, kindred, tongue, and people!

As new devices became available to stream video and audio content, we developed a 3ABN app for smartphones and tablets that allowed viewers all over the world to stream our programs, twenty-four hours a day. However, our viewers wanted to watch videos on the go and search for programs on specific topics, so we began posting our videos on YouTube.

THE BEST OF BOTH

We are happy to announce that we are about to provide both streaming and thousands of on-demand programs on a brand new app! You'll soon be able to watch and listen on your Apple and Android smartphones and tablets, on Roku, FireTV, AppleTV, and AndroidTV, too! In addition, our new app will soon be available on select smart TVs as part of their app download options.

You'll have access to content from all our television and radio networks, as well as many new features. You'll be able to download on-demand programs to watch at any time. You'll also be able to download any available study guides, recipes, and other resources. You'll be able to sign up to be notified about special programs and use the powerful search engine to look up our programs by topic, title, or presenter. With over 2,000 videos to choose from—and more added each week—there's something for everybody from each of our networks! Stay tuned for more detailed information, coming soon!

This is a powerful evangelistic tool, but we must count on you to tell others about it! When you share it with others, they'll be able to find the powerful messages that can transform their lives, too!

We believe God will continue to bless as we do everything we can to get the three angels' messages out to the world, and we want to thank you for the faithful financial support that helps bring the good news of salvation—and our Lord Jesus' Second Coming—to millions of people who desperately need something to hang onto in these chaotic times.
