PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

The Lord is the Leader of 3ABN and you are His faithful vessels through whom He pours out His blessings on the world. What an incredible honor and privilege to share the love of God with others!

Let me tell you about two people I know who have spent their lives telling others about Jesus. My sister and I were raised by loving parents in the heart of Appalachia. Our parents moved there in the early 1980s, feeling that God was calling them to settle down in the beautiful mountains of West Virginia. Mom was a wife and mother, and Dad was a registered nurse, but the locals called him "Doc." With no hospitals close by, he was called at all hours to assist with a health challenge. Sometimes my sister and I would go with him, bouncing along those dark and slippery dirt roads, and sometimes standing by a terminally ill patient's bed singing, "Jesus Loves Me."

Mom and Dad made great efforts to get to know our neighbors in the little "hollers" tucked back in the mountains. A homemade loaf of bread, a ride to town, fresh vegetables, and free medical help endeared them to many.

Though they're now at retirement age, their lifelong commitment to serve others and share Jesus' love, both in the nursing profession, and later as a pastoral couple, has not waned. What a witness for Him. Thank you, Mom and Dad.

Each of you are witnesses for God to someone, too, whether you know it or not. Because of your prayers and financial support of 3ABN, someone is finding hope, truth, encouragement, and salvation at this very moment while they watch or listen to 3ABN. This message is going out to the world because of your faithful support of this ministry. Thank you!

Greg Morikone
3ABN President

Interceding for Us

In Hebrews 7:25, we find these amazing words: “Therefore He is also able to save to the uttermost those who come to God through Him, since He always lives to make intercession for them.” *Our precious Lord Jesus always lives to make intercession for us, and the story of 3ABN Russia tells us that He intercedes for the whole ministry, as well.*

We live in the world of the great controversy between good and evil. Evil attacks the good at all times, but the Lord protects the good and intercedes against the enemy for the sake of bringing salvation to every individual in the world. We are all sold to sin, but those who come to God through Jesus are guided to their salvation—and the salvation of others—through His constant intercession.

Continuous Intercession

3ABN Russia was founded in 1992, and only in eternity will the Lord reveal what evil forces He had to overcome to make this a reality in a country fresh from communism and atheism. Our first programs were gladly accepted by our local

TV station here in Nizhny Novgorod in 1993. Wasn't it Christ who interceded for us so that the right people made the right decisions—knowingly or unknowingly—for God's glory?

Then there was the completion and dedication of 3ABN Russia's Evangelism Center in 1996—a jewel of architecture and the largest Protestant facility in all of the ex-Soviet Union. What routes and contacts did the Lord lead us to so that the qualified workers, building materials, and adequate construction equipment were found in our devastated post-communist economy? How was it that John Kantor, a wonderful Christian and highly qualified American, planned to help in Russia for a few months but ended up working here as our construction supervisor for several years to see to the completion of this amazing project?

Thank you, Lord, for interceding for us, creating all the conditions for our 3ABN Russian Evangelism Center to become a reality. Today it stands as a beacon of light from which the gospel of Jesus is preached

3ABN Russia's Julia Outkina (seated, center left) and her dedicated Executive Board have witnessed the unprecedented growth.

Yes, we prayed every day, but was it a prayer of uttermost trust into God's might?

Or did we devise our own way out of the situation, relying upon our own strength?

To make a long story short, we are going through a number of procedures to make changes in our broadcasting license that we tried to avoid before. And are they frightening? Not at all, because what could be more powerful than the realization and rock-solid assurance that the Lord intercedes for us?

Every step we have taken has been successful, and we praise the Lord that by the time you read this article, all the needed improvements will be implemented for our new broadcasting license.

He Intercedes for You

Our ministry in Russia is a part of 3ABN's worldwide family. Each of you, dear readers, are members of this family, uplifting the Lord and serving His cause according to your ability and strength.

We want to assure you—and this comes from every bit of our 28-plus years of experience—that no matter what you are going through, the Lord mightily intercedes for you, unceasingly working out your salvation, and the salvation of mankind through your efforts.

His blessings are with you always. Please embrace them with your faith! ☺

via television, radio, and the Internet to all the Russian speaking people of the world!

Next, consider the miracles of hundreds of local, free-to-air TV and radio stations who accepted our programming in the 2000s, our getting on the Internet in 2008—and gloriously, on satellite in 2013! What obstacles did our Lord bypass for a Protestant corporation to broadcast amidst a predominantly Russian Orthodox country? Thank you, Jesus, for always interceding for our cause, because Your cause is in our hearts!

A Mistake Corrected

As I write this, our precious Jesus is opening the veil a bit for us to see His

mighty intercession in a very recent situation. Due to our human limitations, we made a mistake in applying for our broadcasting license in 2013, and how scared we were when that mistake came to light late last year! *How do we correct this mistake? we wondered. Will this situation hinder our proclamation of God's Word?*

God's Guidance in My Life

by Maxim Pumpolov

All my life, I'd been a sincere atheist and considered it to be the only true ideology. However, my world view began to change in 1992, when I attended Pastor John Carter's evangelistic program in my city of Nizhny Novgorod, Russia.

I had just graduated from high school, and through Pastor Carter's lectures, I began to realize that the Bible describes real events and that God guides the history of

"As I began analyzing my life, the realization came that God was guiding me."

mankind. This was an eye-opening revelation to me, because I had always been very interested in history.

However, at that time, I didn't have the desire to dedicate my life to the Lord, and when my relatives saw my interest in those meetings, they quickly reminded me that this was a foreign faith.

Soon I went to serve in the army, and during this time, my mother began attending a new church that was established after Pastor Carter's meetings were over. She was baptized and joined that church. She also prayed for me a lot and asked the church to pray for me, too.

God Sparks an Interest

When I came back from the army in 1994, I studied history at my university. And since Bible truths continued to interest me, I decided to watch 3ABN Russia's programs on one of our local Nizhny Novgorod TV stations. Most of all, I loved the testimonial program, *Face to Face*, hosted by Julia Outkina and Pastor Nikolai Kuntsevich. Those testimonies made a deep impression on me because they showed how God worked in people's lives. At one point, my mother was interviewed in one of those programs, and even recited some of my poetry!

God's Guidance

As I began analyzing my life, the realization came that God was guiding me, too. I hadn't understood why things had gone so contrary to my wishes and plans. But now, as I looked back, I could see how God had been taking care of me all along. For instance, during my army service, I was

PHOTO: SUPPLIED

supposed to get a leave for several days, but God lead in such a way that I didn't get my leave, after all. I was very upset, but later realized that all those who *did* get their leave were sent to the war zone in Chechnya! Very few of them returned alive from that war, but God spared my life.

Gradually, I felt a desire in my heart to attend church with Mom, and soon I was baptized, as well. I had always had a desire for a personal ministry, so at first, I got involved with running the sound equipment. When I realized I was ready for more, it wasn't long before I was ordained as a church elder, and I experienced many moments of special closeness to God while preparing my sermons. Those were further assurances of God's guidance in my life.

Working for the Lord

After university, I worked as an engineer at a plant, and while I was there, by mere chance (or so I thought), I visited 3ABN Russia to see Pastor Nikolai. They were taking a group picture of the workers at that time, and he invited me to join them in that picture! From that moment on, the thought never left me that God might want me to be one of those employees, too!

By then I had a very promising opportunity for a well-paid job in law enforcement. But the day of my application deadline, Julia invited me for an interview for a job with 3ABN Russia! So I prayed, and based

on my previous experience, I decided to go to her interview. When I came back to the plant to let them know I was leaving their company, they pleaded with me and offered a choice between two highly paid administrative positions. But although that was tempting, I knew that God's will for me was to work at 3ABN Russia, so I left.

I've been working at 3ABN Russia for 18 years now. I started my ministry in the studio as a cameraman, and was thoroughly inspired by the work. Now I was one of those who *made* those programs I loved to watch!

Being involved in those productions allowed me to understand the Bible better. I learned about God's character, and the necessity of a personal relationship with Him. I also learned to trust Him completely in all of life's circumstances.

Today, I work as a cameraman, a video editor, a duplication operator, a director of radio programming, and quite a number of other responsibilities. I realize that this is the place God always intended for me to be. He brought me here, and I'm so glad for that! ☺

Maxim's attendance at Pastor John Carter's evangelistic meetings eventually led him from atheism to a solid faith in God. Today he serves the Lord as a valuable member of our 3ABN Russia team.

Lifting Up Jesus

Our greatest joy comes when we hear of someone who has just accepted Jesus as their Savior by watching or listening to 3ABN's broadcasts, or by reading one of our books. Here is a sampling of the letters, emails, and comments we've received recently, and we hope you will rejoice with us that this ministry is reaching those who are hungry and thirsty for God's truth!

Study Bibles

Charles writes from a California correctional facility, saying, "Thank you to the whole 3ABN family for my 'sword'—my Bible! It arrived just the other night and was a very special moment right there in my cell, as I felt the light of Jesus' love shining on me. Thank you for all your prayers, and I want to share with you that I have been released from the biggest prison of all—the prison of the mind. Day after day in this cell does not break me, but draws me closer to the Cross of Calvary. The Holy Spirit teaches me daily, and I see the love of Jesus fulfilled. I look forward to the New Heaven and the New Earth with you, my brothers and sisters. I love you all, and you are carried in my heart every day."

Tommy also writes from a correctional facility in Texas, saying, "I've just recently finished *The Ten Commandments Twice Removed*, and after a lifetime of being taught that Sunday was the Sabbath, I enjoyed learning about God's true and holy seventh-day Sabbath—Saturday. I just celebrated my first Sabbath and it brought me a greater joy than all the past Sundays. I felt God's presence like never before. What an awesome and truly loving God we serve!"

Discovering the Sabbath

We heard from many others who have discovered the Sabbath, like this email from a viewer that says, "I was a Christ-loving Sunday keeper all my life, but found the

Sabbath truth just a few years back! *The 10 Commandments Twice Removed* is one of my new favorite books. It brings so much clarity, beauty, and life to the Scriptures that I want to give a copy to all my friends and family in hopes that it will help them, too. I searched the Internet for more copies and was delighted by the price you offer. Thank you so much!"

An anonymous viewer says, "I am a Sunday church member, but since the pandemic I've been watching 3ABN. I've been trying to keep the Sabbath and am praying for guidance and revelation from the Holy Spirit on this new journey."

Elizabeth sent us a note that says, "Thank you for the truth of God's Word. I was raised a Sunday worshipper, and even when I chose to follow Jesus, I was unaware that I was not hearing the full truth. I had questions about things I read and the more I studied, the greater my hunger for truth grew. I was sick at home the first time I found 3ABN. It satisfied the spiritual hunger that I had. I moved a short while later and found my new home was only a few blocks from a Seventh-day Adventist church. We hope to become a part of it when the COVID-19 restrictions are lifted and the church reopens. In the meantime, 3ABN is our lifeline."

Then we heard from Caroline, who writes, "I am a longtime Christian believer, and although I'm not an Adventist myself, my family were Seventh-day Adventists way back in the 1880s. I have been watching 3ABN for a long time and am leaning toward the Adventist beliefs. There are no Adventist churches within 30 miles of my town, and I love to go to church, so please pray for me."

And finally, Jane emailed us, saying, "No one in my family would listen to the reasoning as to why I became a Seventh-day Adventist. It means so much to me when you say, 'From your family at 3ABN!' I get goosebumps when I hear that. Thank you! You are my family. I watch 3ABN every Sabbath. Thank you for the special work you are doing spreading the good news to the world. God has been blessing what you've done and will continue to bless it in the future!"

Our Sole Purpose

We are so happy to hear that you are blessed, and we want you to know that we feel equally blessed to bring you Christ-centered programming 24 hours a day on each of our nine television and five radio networks. Your faithful prayers and financial support, and the Lord's abundant blessings, make it possible for us to fulfill our mission to proclaim the three angels' messages of Revelation 14 to a lost and dying world.

Jesus said, "And I, if I am lifted up from the earth, will draw all peoples to Myself." John 12:32. Our sole purpose is to lift Him up in every way, and we thank you for making that possible. ☺

LET THE LITTLE CHILDREN COME

by Francine Bergmann

When we spend time with children, we discover how quickly they are able to shed a ray of sunshine into the lives of even the grumpiest people! Without knowing it, they have the amazing ability to plant the seeds that make people want to know more about who Jesus is. I've seen many instances where the influence of a child was what brought someone to Jesus, even leading parents and neighbors to be baptized! No wonder Jesus welcomed them to sit on His lap, saying, "Let the little children come to Me, and do not forbid them; for of such is the kingdom of heaven." Matthew 19:13.

Children possess the innocence of total trust and love, and they demonstrate how simple things really can be if we put our trust in Jesus. This is why placing stock in them can give a greater return on our investment. Proverbs 22:6 says, "Train up a child in the way he should go, and when he is old he will not depart from it."

BLESSINGS FROM GOD

Globally, more and more media platforms are searching for children's programming to meet their hunger for truth. *In the UK alone, we have over 550,000 views per month!* The Holy Spirit is moving, preparing the way for children to learn about Jesus through your prayers and support. Beginning late last year, we were blessed to add several people to our team. Ademar Neto, a remote contract video editor; Kylie Kurth, a contract assistant writer; and Jenni Poling, a part-time assistant, are all helping with our network's growing demands!

We launched *Detectives of Truth*, a new series of lessons that can be used at home or in Sabbath School, and *Creation IS! Science* with Ben Roy is scheduled to be rolled out later this month. A new program is in

production called, *Jesus, My Light*, and another series, *Kids X-press*, is in development, focusing on the valuable perspectives of children around the world who share their culture and daily life as they deal with character-building.

Be sure to watch for more developments just around the corner—like a lovable buddy to 3ABN Kids called Ginger. This huggable plush puppy will be coming soon to our 3ABN online store, and there might even be a *Tiny Tots Cookbook* in the next couple of months! 🐾
