#### Letter from the PRESIDENT

#### **Evangelism** Together We Can Finish the Work!

Dear Partner,

Danny Shelton President

It's hard to believe that another year has come and gone! I want to take this opportunity to thank all of you who continue to support 3ABN prayerfully and financially. God has allowed us to reach many millions of people this year who have never been exposed to the preaching of the undiluted three angels' messages, and now they've heard it preached through the media of 3ABN television, radio, Internet, satellite, Roku, mySDATV, and even smart phones and iPads!

#### Winning Souls to Christ

This has been an amazing year on the front lines of the army of God. Thousands of people are answering the call to follow Jesus and join His remnant church. We've now seen over one hundred baptized in London through 3ABN's evangelistic outreach in September, where we joined hands with the South England Conference. Many more have joined God's church in the Philippines after our 3ABN evangelistic campaign with Pastor C. A. Murray.

Recently, Ambassador Bien Tejano from the Philippines said this in regards to 3ABN broadcasting in the Philippines: "Thousands and thousands of people have been brought to the foot of the Cross because of this ministry!"

We want to say how thankful we are that God has placed Elder Ted N. C. Wilson at the helm of the Seventh-day Adventist Church in these closing hours of earth's history. We ask you to join all of us here at 3ABN in lifting up Elder Wilson in prayer as he continues to be a strong leader, uncompromising in fulfilling the mission of the Seventh-day Adventist Church to reach the world with the good news of the gospel of Jesus Christ!

Elder Wilson recently said this on a 3ABN interview: "On behalf of the General Conference and the world-wide church family of Seventh-day Adventists, let me take this opportunity to congratulate 3ABN, Danny Shelton, and the network team on their thirty-second anniversary of a network that is reaching the world with the gospel of Jesus Christ and the three angels' messages. We thank 3ABN and other supporting ministries for their evangelistic contribution to the growth of the advent movement, and the spiritual growth of church members. In *Gospel Workers*,

page 352, Ellen White indicates, 'The work of God in this earth can never be finished until the men and women comprising our church membership rally to the work and unite their efforts with those of ministers and church officers.' What a fantastic quotation! Thank you for joining hands with the church to help finish the work!"

Yes, as we continue to work together as church and laity, the work of God on this earth will be finished, and we can all go home with Him for eternity. No more sickness, sorrow, or death. What a day that will be!

#### **Staying Connected**

During 2016, even though we made many cuts in expenses in order to save on operation costs, our donations were down nearly \$750,000 from the previous year. Because we're responsible to God for the stewardship of this ministry, we're working to trim whatever expenses we can, to ensure we remain within our budget. One of these cuts will affect our *3ABN World* Magazine. We have mailed this magazine out for over 12 years, free of charge, and we know it has touched hearts and lives around the world! However, this will be the last issue of the magazine, and beginning next month, we will mail out a newsletter in its place. By making this switch, we're able to cut expenses considerably, while still remaining connected to each one of you!

Please pray about making a sacrificial gift to 3ABN as we come to the end of 2016. We believe that it is the Lord's will that 3ABN will end December 31 "in the black." Philippians 4:19 says, "But my God shall supply ALL your need according to his riches in glory by Christ Jesus." Please pray and ask the Holy Spirit what He would have you do to financially support 3ABN in the coming new year, as well.

Thank you so much, and may God richly bless you!

)anny Shelton

n the beginning was the Word, and the Word was with God, \_\_\_\_\_and the Word was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that was made. In Him was life, and the life was the light of men. John 1:1-4.

recorded in the Bible is that of a young Jewish girl named Mary, whose explicit need of a Savior as anyone else (Luke trust in God opened her heart to receive 1:47-48)—be so highly favored as to His life-altering Word. It happened over serve as the vessel of honor in whom this 2,000 years ago, in the village of Nazareth, unsurpassed miracle would transpire to when the angel Gabriel appeared to tell this teenaged virgin she would give birth to God's Son.

Although she had entered a marriage covenant with a godly and gracious man named Joseph, they still lived separately during a preparatory period for marriage, and ridiculed for the rest of her life. as was the custom of the day. Their wedding ceremony and date of consummation God, she had to make a decision. Boldly was yet in the future.

#### TROUBLED

Mary was understandably troubled and curious as to how she would conceive a child. Gabriel explained that the Holy Spirit would overshadow her, and concluded, "For with God nothing is ever impossible and no word from God shall be without power or impossible of fulfillment." Luke 1:37 (AMPC).

Surely, the words of Isaiah 7:14 penetrated her mind like a prophetic arrow: a promised sign of the Messiah would be that a virgin would conceive and bear a Son who would be called Immanuel. One of the most amazing acts of faith which is translated, "God with us." Could she—in her lowly state and in as much bring forth the Messiah?

> Just as surely, Mary's swirling thoughts included the realization that this event would be extremely difficult to explain to others-and especially to Joseph. He could divorce her. She could be mocked

Confronted with the message from she replied, "Behold the maidservant of the Lord! Let it be to me according to your word." Luke 1:38. With unfaltering faith she submitted to God's will, trusting Him with the consequences.

Consider this amazing thought: Scripture frequently refers to God's Word as "seed" (lower-cased s), and to Christ as God's "Seed" (upper-cased s). When Mary received the Word seed of God, His Seed was planted in her. When the Holy Spirit subsequently overshadowed her, God's purpose was birthed in her.

#### OBEDIENT

The Word of God grew within her womb, and she shared this incredible report with the humble carpenter who was legally bound to her as husband. But he was troubled. He knew he wasn't responsible for her condition, so he assumed she had committed the unacceptable act of adultery.

Imagine him lying on his bed, agonizing, as he wrestled with these thoughts. Joseph was a just man who adhered to strict observance of the laws of Moses, and being yet more merciful, he resolved to spare her further public humiliation by divorcing her privately.

Then an angel of the Lord appeared in a dream, saying, "Joseph, son of David, do not be afraid to take to you Mary your wife, for that which is conceived in her is of the Holy Spirit. And she will bring forth a Son, and you shall call His name Jesus, for He will save His people from their sins." Matthew 1:20-21.

With unswerving commitment to the word received from the Lord, Joseph obeyed immediately. "Then Joseph, being aroused from sleep, did as the angel of the Lord commanded him and took to him his wife, and did not know her [intimately] till she had brought forth her

Mary brought forth the Son of God and "The Word became flesh and dwelt among us, and we beheld His glory .... "John 1:14. The Living Word of God-Jesus Christ, our Creator-entered the world, uniting His divine nature with human nature for the purpose of becoming the perfect Savior. He would deliver us from both the penalty and power of sin.

When shepherds arrived in search of the Babe lying in a manger, they declared what the angels had told them concerning the Child, astounding the couple and causing them to marvel at the words did they take the Living Word for granted? they shared. Mary clung to these sayings, weighing and pondering them in her heart part, but—like others of their day—they (Luke 2:16-19).

knew the excruciating pain a hammer and three nails would one day inflict upon this precious One who would stand as our Substitute?

I wonder how often they pondered the prophecies, trying to foresee Jesus' future. Did Mary tremble when she heard Isaiah 53:4–6, knowing her Son would bear our griefs and carry our sorrows; be stricken, smitten, and afflicted; be wounded for our transgressions and bruised for our iniquities; have the chastisement of our peace upon Him; and bring us healing by His stripes?

In the midst of their fatigue from the exhausting daily activities and hardships of life, surely they had glimpses of the grace He came to reveal. But, how often They may have known the prophecies in didn't fully understand, since it seems It seems evident that both Mary and prophecy is only fully understood after it has been fulfilled.

Looking back to the time Mary accepted their Son-His Son-came to fulfill more God's Word and was implanted with His seed, the Bible records a spectacular statement made when she visited her cousin, Did Mary understand the Babe who Elizabeth, who had just experienced a Elizabeth heard Mary's greeting, her baby taught Him Scripture, did they recognize leaped in her womb. had disregarded God's Word-rejecting His Seed and His purpose for her life? God would have found another handmaiden to fulfill His plan, but Mary's history would have to be rewritten.

Don't you think that is true for everyone? If we don't accept God's promises, we revise our own history.

#### LIFE-ALTERING WORDS

I'm struck by examples of others who received life-altering words from God. Over 32 years ago, another humble carpenter, Danny Shelton, was impressed by the Lord to build a television network that would reach the world with the undiluted truths of the three angels' messages of Revelation 14. Having no money, and knowing nothing about broadcasting, he submitted to God's will with unfaltering faith. He believed that with God nothing is impossible, and received the "seed" by which God birthed the ministry of 3ABN.

Of course, God used all of our sup-

porters to bring this heaven-born mission into reality-and now 3ABN broadcasts the gospel of salvation by grace around the world! We, and tens of thousands who have accepted Christ because of this ministry, praise God and give you heartfelt thanks for your continued prayers and financial support.

Our prayer for you at this special time of year is that you open your heart to receive the "seed" He has for you. No word of God is without power, or impossible of fulfillment. Come to Him, believing that He exists and has the power to do all that He vows to do. God rewards those who earnestly seek Him with this attitude.

Pray for the Holy Spirit to overshadow you, and our Creator will cause you to become pregnant with expectancy of His promises found in Scripture. He wants to birth the purposes of His Word in you. He wants His Word to become flesh in your life today!

STG-LP 101.5 FM, whose call letters stand for <u>Keep</u> <u>Sending</u> <u>The</u> <u>G</u>ospel, went on the air July 2, 2004, and since it's been a while, we thought we'd catch you up on how things have been going.

No one wanted to help Carolyn Meeks build a radio station, but she was certain the voice she heard was the Holy Spirit's. From the beginning, she knew it would be just her and God, and although she felt so alone, she also felt God would make a way.

Through many obstacles and sacrifices, Carolyn formed Lodi Christian Radio, Inc., and God built the radio station! KSTG covers all of Lodi and some surrounding areas, reaching about 65,000 potential listeners.

#### God Brings Helpers

Not long after the station was built and on the air, God brought David Marson to help her, and today, David is both station manager and technical engineer. God also brought Arne Romstad, another technical engineer who manages the station when David's away, and Duane Miller, their program manager. Each takes turns at doing local announcements, too. What talented help God brought to operate a radio station that no one else wanted!

Carolyn is the president of Lodi Christian Radio, while her son Lawrence DeFehr, Esq., is vice president and a tremendous help with the paperwork and record keeping. He'll be moving in the near future and is anxious to get involved with operating the radio station, too.

In September, KSTG began airing 3ABN Latino Radio programming a few hours a

week to reach the Latino population in the community, and Duane has added sermons from speakers who've conducted seminars at church. Local community members have been contributing financially to keep the radio station on the air. God is so good!

#### Ministering to Others

Carolyn often hears how the radio station ministers to those who are elderly and homebound. Here's one example, from an e-mail she received:

young man, Lee and some friends had a Bible study, and always believed that Sunday was not the Sabbath. According to their studies, they thought Friday was the Sabbath, but by listening to 3ABN Radio, Lee learned that Saturday was actually the Sabbath.

"My other brother and his friend started taking Lee to church on Sabbaths, and he also attended a cooking class. Lee attended a Revelation seminar, and after that, became a member of the Fairmont Seventh-day Adventist Church by profession of faith, since he'd previously been baptized. When Lee moved into Ashley Place, he was around 88 years old, so he was probably close to 90 when he became a member. He learned much information from listening to 3ABN Radio, and studying and reading his Bible. He had a computer, and would type many pages regarding what he studied. He would sometimes give me pages to read, and ask me what I thought about them.

"He's been laid to rest now, but was a very godly and sincere Christian man. He had lost two wives and a son, but still had much faith in God. He asked me to pray for his daughter, that she would give her life to God. Please pray for God to give me the right words to say to them, because I also want to reach his grandchildren and great-grandchildren. He had such a heavy heart to bring them all to the Lord."

y wife Idalia and I were privileged to be part of the team that recently traveled to London, England, to preach the gospel. Our evangelistic series was held in the Walthomstow Seventh-day Adventist Church, in northeastern London. This warm and active church has about two hundred members, under the leadership of Pastor Mohan Abbadasari.

Ricardo Leon was baptized during the series, and he shared his fascinating story about how God had worked. As a carpenter, some six years ago, he was hired by the Clapton Seventh-day Adventist Church to build their baptistery. As he worked, one of the members engaged him in conversation, eventually asking, "Have you been baptized?"

"No, no, that's not for me," Ricardo replied. "I'm not ready for that!" But when the lady heard this, she said, "It seems to me you should be baptized in the baptistery you're building!"

Five years passed, and it was obvious God was calling Ricardo to give his heart to Jesus. His marriage had begun to collapse, and his wife had gone back to Jamaica. But every time he approached the Lord, he was drawn back into a worldly lifestyle.

#### PAIN AND DISCOMFORT

Several months before our series began, his hands started to swell and crack, making it nearly impossible to work. The medicines prescribed brought no improvement, and the pain and discomfort brought on discouragement as his condition worsened.

Then, one day he prayed, "Lord, if you heal my hands, I promise to give you my heart!" Beginning that day, his hands began healing, and the cracks

#### "GOD HAS ANSWERED MY PRAYERS! HOW CAN I NOT GIVE MY HEART TO HIM?"

began to disappear. "Look at them now!" he exclaimed. "God has answered my prayers! How can I *not* give my heart to Him?

"Before being baptized, I felt I had to make things right with my wife, so

I called to ask her forgiveness. She had no idea I'd decided to give my heart to the Lord; she thought I was calling her to ask her to speed up the divorce! As soon as she heard my voice, she said, 'I don't have the paperwork from the attorney yet, but I'm expecting them to arrive soon,' but I interrupted and said, 'That's not why I am calling! I'm calling to ask for forgiveness for all I've done to you. I'm so sorry that I've hurt you so much. Please forgive me!'"

His wife was shocked and could hardly believe what she was hearing; but she was completely unprepared for what he said next. "I've decided to give my heart to the Lord," he said, "and I'm getting baptized soon!"

There was joy in his voice as he shared how God had completely transformed his life, and then he said, "I really do love you! Please give me another chance. Will you accept me back? I think that if we both give our hearts to the Lord, our marriage will really work."

For a moment she was silent; then, with tears of joy in her voice, she said, "Yes, yes! I'm willing to try again, if God is in our marriage." They talked for a long time as they made plans to be reunited. And what a happy smile Ricardo had

as he kept telling us how good the Lord had been to him. Then he added, "I'm sorry, but I'm not getting baptized in the Walthomstow Church. I must be baptized in the baptistery I built! It will make me so happy to be baptized there."

Ricardo Leon told John Dinzey a fascinating story of healing.

"Ricardo, we'd love to see you get baptized—and we fully understand!" I replied.

"We're just happy you've made the best decision of your life!"

Please remember those who were baptized in the evangelistic series 3ABN helped organized in London with the South England Conference, and many others. Because of you, there are many who are now taking Bible studies and making their decisions to be baptized.

#### A Cause For Celebration

The truth is that when a person has felt the

call of the Holy Spirit and given their life to Christ, their changed life is the greatest of all miracles. We ought to stand and cheer when in the presence of such a miracle from God. That is precisely what a changed life is: it is a bona fide miracle from God!

In the life of any church, history is made when a person receives Christ. These are moments that are certainly celebrated in Heaven, and should be celebrated on earth. How dare we celebrate a Thanksgiving, or even a Christmas or New Year, and not kick up our heels, as it were, in celebration when a new soul is born to the

Kingdom? It is like a type of Independence Day-the day that a soul is liberated from the prison of darkness. If it is true that Heaven celebrates these events, can we do any less?

#### Celebrating the Word

At 3ABN Proclaim! we celebrate the Word of God, and the power of that Word. Each sermon is a celebration of the life that we can, and indeed do enjoy in Jesus. A member and viewer from the Philippines remarked to me just the other day how her life has been changed by the sermons that she's watched on 3ABN Proclaim! She and her retired husband are now preparing for a second career of full-time mission service! For good reports like that, I say hip, hip, hooray! That is worth celebrating!

#### 3ABN Russia

## BIBLE PROPHETS Of their

by Alexey Britov

There are over 21 million Russian-speaking Muslims living in the Russian Federation, and the Republic of Tatarstan, located close to Nizhny Novgorod, has one of the largest Muslim populations in our country. As far as religion goes, 80 to 90 percent of Tatars consider themselves Muslims, and the rest consider themselves Christians—even though maybe only five to seven percent are true believers.

#### MIRACLES

In Tatarstan, the two largest cable operators are Tat-telecom and TatAISneft, whose services are used by several million people; and since cable TV is becoming more common in Russia, cable operators are in big need of good content.

In March of this year, God opened a new door of opportunity by adding 3ABN Russia's Christian satellite channel to Tat-telecom's lineup. As one of the largest cable operators in this region, we give God glory for this miracle that makes it possible for millions of Muslims to watch our programs around the clock. However, God was not finished. He had more miracles in store!

In May, our production crew traveled with me to a Bible conference at the Zaoksky Theological Seminary to make a presentation about 3ABN Russia and record some interviews. There we met Pastor Dzhobir Iskhakov, a native of the former Soviet Republic of Uzbekistan, who now serves as a pastor in Moscow—a city where many Muslim migrants from former Soviet Union republics come to work. Pastor Dzhobir told me he'd be happy to record a series of programs for the Russian-speaking Muslim population. He added that due to the present controversial attitude toward Muslims, these programs would appeal to Christians and secular people, alike. His idea seemed very appealing, so I invited him to our headquarters. However, the Lord had not finished showing us His mighty hand, and that same day, a lady from our marketing department phoned me and said that TatAISneft, the other large cable operator in Tatarstan, was ready to carry our channel to its subscribers 24 hours a day!

#### **A NEW SERIES**

We began taping the *Bible Prophets* in the Qur'an series in June, and Pastor Iskhakov and his host, pastor Sergei Larionov, revealed the most amazing topics. As it turns out, the Qur'an speaks about Creation, Adam and Eve, the great Flood, and gives the stories of the Bible prophets. It also says that God gave the Torah to the people through Moses, the Psalms through David, and the gospel through Jesus Christ! Acknowledging the truthfulness of these books in many places, it also states that they were given before the Qur'an to provide guidance and admonition for the God-fearing-that is, for the Muslims, since the word "Muslim" means, "obedient to God."

In many ways, the lifestyle of Seventh-day Adventists and Muslims is similar. Both reject the use of alcohol, tobacco, unclean foods, and image worship. Both teach the importance of honoring parents, and the traditional family model of a "AND I SAW ANOTHER ANGEL FLY IN THE MIDST OF HEAVEN, HAVING THE EVERLASTING GOSPEL TO PREACH UNTO THEM THAT DWELL ON THE EARTH, AND TO EVERY NATION, AND KINDRED, AND TONGUE, AND PEOPLE." REVELATION 14:6.

union between one man and one woman.

How sad that Islam, which in Arabic means, "the religion of peace," is associated today with violence and terrorism. May our new series develop under the continued guidance of our dear Lord, and may it help Muslims living in Russia and the former Soviet Union republics to receive the light of truth and our Lord, Jesus Christ—the Greatest Sacrifice referred to in the Qur'an—as their personal Savior.

Thank you, dear readers and viewers, for your support! As a preacher recently said, "The poor widow

who gave two mites for God's work, will receive the most stars in her crown, since so many have followed her example, lead-

ing to the salvation of so many!" Your prayers and financial support of 3ABN is bringing the gospel to every nation, kindred, tongue, and people.

We are living in the time of the harvest, when there is no time to lose. All around us are precious souls, waiting to be invited into the fellowship of believers. The challenge is, not all crops are alike. Not long ago, I watched one of our Wheat, corn, soybeans, spinach, oranges, and apples-each ripens in its season, and each has a slightly different harvest time.

3ABN's London series was quite sucthis plant is over." As I cessful for a two-week series. With over 100 baptisms, and a few hundred more preparing to be baptized, it's important not to let their "season" pass. The members who attended, and the leaders of each church have their hands full with harvesting these precious souls.

One of the focal points of our series was to provide materials that would be used as a catalyst to continue the evangelistic thrust. The 14 outlines designed for this series are a great springboard to plant new seeds, and bring others to harvest. The complete series is available on the for harvest!" John 4:35. 3abnlondon.com website, so you can

By sharing the gospel, we're preparing the world for the soon return of Jesusand conversely, by not sharing the gospel, we're delaying His return.

use your home or church to share them with others. With these Christ-centered messages, it's impossible to share them without eternal impact!

#### **GOD IS CALLING YOU**

Working to lead others to Jesus is the very work we're called to do once we're saved. When Paul wrote that, our "works" do not save us, he added that we are saved for "work."

By sharing the gospel, we're preparing the world for the soon return of Jesusand conversely, by not sharing the gospel ,we're delaying His return. The Lord presents us with a field of labor. He waits and longs for dedicated Christians to work alongside Him to "reap the harvest."

One of the counsel members of biblical Jerusalem listened to the apostle Paul as he passionately shared the gospel. However, Felix's response was, "Go away for now; when I have a convenient time I will call for you." Acts 24:25.

As we near the closing scenes of earth's history, the wintry blast of challenging circumstances continues to increase. Therefore, we need to gather in the precious harvest while we still have the freedom and the time. Don't wait until a "convenient time;" the fields, "are already white for harvest."

As I close this article, allow me to point you to the inspiring words of Deborah Ann Belka in this simple poem:

"It's Always Harvest Time"

Not just at harvest time, do we need to have a reason we can plant seeds of hope in and out, of every season.

We can reap souls to Jesus, no matter the time of year it doesn't have to be Autumn harvest time, is always here.

Seeds of faith can be planted, into the hearts of everyone whether under snowy covers or the warm blanket of the sun.

We can gather in the lost, bring back a wandering soul it doesn't have to be Fall for the harvest, God controls.

It's always harvest time, we don't need to have a reason we can sow seeds of eternal hope in and out, of every season!

#### The Messiah's Mission by Shelley Quinn

e stepped out of Heaven to enter our world over two thousand years ago. The Messiah's mission was to reveal the infinite love of His Father's character. and to unveil the mystery of God's plan of salvation.

Our Creator could have appeared as He existed in Heaven, dazzling mankind with His magnificence and commanding respect. But His glorious presence would have overwhelmed His fallen creatures, striking fear-not love-in the heart of humanity.

Instead, laying aside His glory, the One who inhabits eternity chose to come as a humble Babe in a manger.

Sharing our flesh and blood, He suffered our weaknesses and our common human experiences. He was tempted in all points

are we are, yet without sin. He understands us as no one else can.

Christ was not just like God-He is God (John 1:1; Hebrews 1:3). He sought us, served

us, and willingly died as our Substitute on the cruel cross of Calvary. The humiliation our Savior suffered in His condescension was so great it cannot be measured—all to pay the price to redeem sinful humanity, and draw us to Himself through lovingkindness.

#### ENTRUSTED WITH HIS MISSION

Finishing His work of redemption on earth, He returned to Heaven to complete His work of salvation as our faithful High Priest; but before He departed, he said to His disciples, "As the Father has sent Me, I also send you." John 20:21.

We, His followers, have been entrusted with the Messiah's mission. We are all accountable to participate. It is left to us to reveal the love of God. and unveil His will for the salvation of sinners.

God "desires all men to be saved and to come to the knowledge of the truth." 1 Timothy 2:4. Fulfilling the mission means fulfilling His Great Commission of going into all the world to make disciples of all nations. Our mission seems daunting-even impossible-if we look to our individual abilities. But, empow-

WHEN CHRIST RETURNS TO RESCUE HIS PEOPLE HE WILL NOT COME AGAIN TO A HUMBLE MANGER AS A BABE. **BUT AS KING OF KINGS AND** LORD OF LORDS.

ered by the Holy Spirit and joining our efforts as a team, we know that God can and will fulfill His purposes through us.

That's why 3ABN began a movement to involve all of our viewing and listening audience. We invite you to join The Blessing is on the "GO!" Evangelistic Team. Simply register to make a recurring monthly donation of any amount to support 3ABN's mission of world evangelism, and as a team member you will receive an evangelistic resource-a book, music CD, sermon DVD, or Bible study—from 3ABN each month to share with your family, friends, or neighbors who need to know the truth of God's amazing grace.

People everywhere need to know that today is the day of salvation! When Christ returns to rescue His people, He will not come again to a humble manger as a Babe, but as King of kings and Lord of lords to put an end to sin.

Oh, Lord God, pour out Your self-sacrificing love into our hearts! Let the humble mind of Christ guide us through Your Spirit and Your Word. Help us to share Your good news of salvation by grace, and fulfill the Messiah's mission.

Have you ever tried going to the store to buy a swimsuit in the middle of winter? If so, you may have discovered that they are impossible to find! Instead, you'll see racks of snow boots, snow pants, coats, mittens, hats, and other things to keep you warm in the cold weather. Store owners know that no one wants to be outside in a swimsuit during the frigid winter months—in fact, the warmer the clothing they can offer, the better, because . . . no one likes to be cold.

SNOW LEOPARD

Staying warm is important, and that's exactly why God equipped the snow leopard with everything it would need to survive the extremely cold temperatures in the mountains where they live. Surviving temperatures that get down to -150° F requires a lot of protection, so it's no wonder that the fur on a snow leopard is very thick—up to five inches deep on its belly. In fact, they have so much fur that if the temperature in the lower part of the mountains rises too much, the leopards will climb higher looking for colder weather.

Having thick fur isn't enough to protect the snow leopard from the sting of the cold air. Their nasal cavities are short and wide, which helps to heat the freezing air before it reaches the lungs. They also have long, furry tails that they use to shield their nose and mouth from the harsh conditions. And

their gigantic furry paws help them to navigate the snowy terrain.

This world we live in can be pretty cold and harsh. Sometimes we feel like we're not loved, or that we mess up too much and are nothing but a failure. There are even times when others hurt our feelings. Sad things happen all the time, but just like the snow leopard is protected from the coldness around it, we are protected, too . . . by God's love. No matter how sad we get, or how much people hurt us, remember that God loves us more than anyone else possibly could! He loves us so much that He gave His only Son to die on a cross so that we can live with Him in Heaven for all eternity—where there will be no more tears, sadness, or pain, and each day will be even better than the day before! ©

#### **IN THE MASTER'S STEPS - BOOK** Kenneth Cox

This book is written to share some of the beliefs that Jesus taught as He walked through the cities and villages of Galilee. Many of these teachings have been lost sight of, for in today's society, a person can believe almost anything and still claim to be a Christian. Would people be surprised to hear that you profess to be a follower of Christ? Do you really know what Jesus taught? Are you sure?

Your heart will rejoice in the blessings and promises that Christ gave as you walk in the Master's steps.

## **MYSDA**TV

onsider mySDATV—the marvelous new way to get each of 3ABN's TV and radio channels, as well as all other Seventh-day Adventist programming anywhere in the world with just an Internet connection! The mySDATV box uses the latest technology to deliver high definition 3ABN TV channels without a computer or a satellite dish!

This inexpensive device comes in a variety of sizes, including a small one that plugs directly into your television and uses your Wi-Fi connection. Each device provides all of 3ABN's channels, and an increasing number of Seventh-day Adventist networks. To put it simply, watching Seventh-day Adventist programming has never been easier.

Use the provided Ethernet cable to connect to your router, or connect with WiFi.

From the beginning, mySDATV has been committed to uniting all the Adventist television ministries onto a single Internet-based gateway-a portal for believers and non-believers who are seeking truth, as well as faith and family programming. There is no subscription or monthly fee for the programming, and the devices are small and inexpensive.

The mySDATV device comes in three models-two set-top boxes, and a small "dongle" version that literally fits in the palm of your hand. All models deliver the same number of channels, as well as the same video features and functions.

True to its name, all channels are Seventh-day Adventist based, so you don't have to worry about giving it to a friend or a relative.

Since most people are short on time, mySDATV automatically records all of 3ABN's TV channels all day long, so you can watch any programs on your schedule! Even better, now you can watch any program aired in the past 30 dayspausing, rewinding, or fast forwarding it, just like a DVD.

Found a program you want to keep or share with a friend? The three box models have USB ports where you can plug in a memory stick or an external hard drive and save it! You can also use those ports to play back your videos, look at your pictures, or listen to your favorite music files!

#### MULTIPLE LANGUAGES

Currently, we offer channels in English, Spanish, Portuguese, French, Russian, Korean, Arabic, and other South

Asian Languages. Free software updates will make even more languages available as they are added.

"I realize that 90 percent of those who are reading this article already can watch 3ABN," says Moses Primo, 3ABN's director of broadcasting and engineering, "but this is something you can give to someone you love. This gift will stay with them and minister to them 24/7. These boxes are small, but they carry a big message! Their size gets their curiosity, and helps them to watch the message we want to give."

MySDATV is a family commitment Moses has made with his wife Adima, his son Moses, Jr., and the assistance of his dedicated board members. "This is all about God's love," he says, "and I've appreciated 3ABN's cooperation and support of our non-profit ministry. Those who feel impressed to help us can make a tax-deductible donation, or purchase a box by calling or visiting our website."

#### SPECIAL OFFER

Do you know someone who needs to hear the truths you hold dear? There's no easier way to witness 24 hours a day than mySDATV. During the month of December 2016, while supplies last, purchase 5 boxes or more and receive a bonus mySDATV dongle model, free of charge!

receptive to these new truths, Roberta was determined. "I began taking notes, and now I'm on my third composition book!" she says. "When I talk to those who will listen, I have my Bible texts written down; but I want to get to the point where I can go without notes."

A couple of Bible verses have really given her strength, lately. "The first one is 1 Corinthians 10:13, 'No temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it. That's the verse I rely on when I'm tempted by a donut, or a snack!" she says. "Another one is Ephesians 6:10, that says, 'Finally, my brethren, be strong in the Lord and in the Battle and Carol Crider," he says. "We set power of His might. God is helping me to remember these wonderful verses now, and that's really a miracle, since those strokes make it hard on my memory!"

If you're in the Mesa, Arizona area, please plan to visit the Mesa Palms Seventh-day Adventist Church at 6263 East Thomas Road. And when you do, please be sure to say hello to Roberta and Pastor Darnall. They'll be thrilled to meet you! Him. I am His temple, and His Spirit lives in me. had just put the toothbrush in my mouth when the phone rang. *That must be Jim. I wonder if the prison will let us in today.* 

"Good morning, Jim!"

"Great news, Jill. I just called the prison and they will let us in today." "Praise God!" *We're going in.* 

Greg and I had just spent a wonderful Sabbath at the Arden Seventh-day Adventist Church in North Carolina. Jim Wetmore, Carolina Conference Prison Ministries Coordinator, had invited us for their prison ministry Sabbath. However, the prisons were put on lockdown, and the night before Greg hadn't been allowed to go into the men's facility. Somehow, though, God had just opened the women's prison, because we were going in!

I sat down at the desk to review my notes, but an uneasy feeling settled in my stomach. Something isn't right about the topic. But what? I sat down at the desk to review my notes, but an uneasy feeling settled in my stomach. Something isn't right about this topic, but what? I prayed about, so why should I change it now?

The unsettled feeling remained. For whatever reason, I felt like I was supposed to change the topic. I jotted a couple of notes down on a piece of paper and stuck it in my Bible, for it was time to leave.

Driving through the mountains

of Asheville, I prayed, God, You know I do jail ministry, but this is a prison. And You know I'm not very prepared with the topic. Why did I have to change it anyway?

#### **TOO LATE TO CHANGE**

Suddenly, the prison was before us. A fence enclosed several buildings and acres of grass. Beautiful mountains ranged about. A blue sign hung over the entrance: Swannanoa Correctional Center for Women. Jill and Greg Morikone joined part of the Carolina Conference ministry team at Swannanoa. (L to R): April Stevenson, Jim Wetmore, Nicole Stalings, and Letitia Bell.

The air felt chilly as I hurried into the building. After going through the metal detector and signing in, one of the guards took us by golf cart to the prison chapel.

I stood at the entrance to the chapel as the women began to come. Individually and in groups, they walked across the lawn. Many different women, many different backgrounds, but all eager to come to church.

We sang, "The Old Rugged Cross" and "I'll Fly Away." Some stood in worship, some raised their hands in praise, while others clapped in rhythm. Each worshiping in her own way.

Suddenly, it was my turn. I grabbed my notes and walked to the lectern. *Am I really supposed to do this new topic?* It was too late to change now, so I began to speak. About taking God at His Word and walking by faith instead of our feelings.

#### WHAT IF?

At the end of the service, the women came forward to talk and share. Two of them hung around, while the others talked. They'd sat on the front row and cried during the service. When everyone had gone, they came over and hugged me tightly.

They'd experienced such pain the day before, and had many questions about their Christian walk. One of them smiled, "And then you started talking this morning, about the very issue we were struggling with yesterday. I wanted you to know, what you spoke was just for me!"

So that was why God wanted me to change the topic this morning. It had nothing to do with me, or what I felt. He had heard my sister's heart's cry, had seen her tears, and worked to bring her healing.

What if I had refused to listen? How many other times have I turned my back on His advice, stumbling blindly ahead on my own, thinking I knew best?

We said our goodbyes, and headed back toward the parking lot. Thank You, Father, for showing up this morning! Help me never to get so stubborn that I neglect to hear and obey the voice of Your Spirit!

#### 3ABN World | December 2016 40

#### Directions:

Preheat oven to 350° F. Put two large pieces of tin foil on a flat surface, making sure the pieces overlap. Place the gluten in the middle of the foil and begin to smooth it out to approximately a 17 x 14-inch rectangle. Spread the stuffing mixture evenly over the gluten, and then begin to gently roll until a log is formed. Gently push together until the log is about 13 inches long. Roll up the foil around it, making sure the ends are folded tightly. Place on a baking sheet and bake for 90 minutes, making sure to turn the roll every 20 minutes for even cooking. Remove from oven and allow to cool. At this point the roast may be stored in the refrigerator for 2-3 days until ready to serve. A couple of hours before serving, wrap the roast in puff pastry and bake according to the directions on the puff pastry box, or until golden brown. Transfer to serving dish, slice, and serve with your favorite gravy.

here's not a day that goes by when I do not feel some type of muscle pain, since muscles help our bodies move. We control our voluntary muscles, and they help us move from place to place, or accomplish a task. On the other hand, our involuntary muscles perform their roles without us giving them any thought. The heart is one such specialized muscle tissue.

MUSCL

The medical term for muscle pain is *myalgia*, and by far, the most common type of muscle pain is related to trauma. Pain may come as the result of too much exercise, a bump, a fall, or even too much life stress, which causes the muscles to become tense. These types of myalgias are usually localized and self-limiting. With a little rest and immobilization the muscle heals on its own.

Pain throughout the entire body may be secondary to an infection. Viral infections frequently cause diffused myalgias. Pain in a muscle group occurring only

when that muscle is exerted may be from a poor blood supply. Medications including the class of medications called statins, as well as vaccinations, may also cause muscle aches. Hypothyroidism (low thyroid), and electrolyte deficiencies (low potassium, calcium or magnesium) can cause muscle pains. Certain immune diseases like lupus, polymyalgia rheumatica, polymyositis, and fibromyalgia also may cause muscle pains. Muscle pain associated with dehydration or muscle pain associated with shortness of breath is a more concerning problem.

Here are the three most common questions I receive regarding muscle pain:

#### What should I do if I have muscle pain?

- 2. Make sure the muscle has water and the proper electrolytes needed to function
- 3. Icing the area for two or three days may help the trauma
- 4. Massaging the area

1. Rest

- 5. Swimming may help relax the muscles
- 6. A short course of over-the-counter pain medication may help
- 7. If inflammation is causing the pain, ginger, turmeric, or omega-3's may help
- 8. Heat may help certain types of muscle pain, as well. I have seen muscle pain associated with nerve problems supplying the muscle respond to heat
- 9. Treat the cause, if possible

#### When should I see my provider?

- 1. Pain doesn't go away
- 2. Pain and a rash
- 3. Pain and a tick bite
- 4. Pain and persistent swelling
- 5. Pain after a medication change
- 6. Pain associated with dehydration or shortness of breath

#### How do I prevent muscle problems?

- 1. Hydrate muscles are predominantly water
- 2. Greens and beans electrolytes needed for muscle function
- Stretching and warming up dynamic stretches work better than static stretches
- 4. Stress-reducing activities a stressful life causes muscles to contract
- Don't sit in the same position too long the National Institute of Health suggests moving the parts every hour
- 6. Work on good/correct posture this keeps the muscles in the correct position
- 7. Daily exercise

I hope you are not having muscle pains, but if you are, the above information may help. Remember to praise God, for you are fearfully and wonderfully made. If you have more specific questions about muscle pain, visit **heartwiseministries.org** and I will try to point you in the right direction.

years back, my friend and I talked about one of my favorite carols. "Does God use non-believers to accomplish His purpose in the world?" she asked. My first response was no. But the more I pondered her question and the story of Jesus' birth, the more I realized as prophesied in the book of Isaiah. that everyone is God's creation, and that He can use His creation to do His biding. The Bible says in Luke 19:40 that even the stones will cry out if we fail to proclaim His name.

> "But what does God using unbelievers have to do with a Christmas carol?" I asked, and my friend began to tell me the story behind, "O Holy Night."

#### Cantique de Noël

"In 1847, a priest commissioned the part-time poet member of the socialist movement, Placide Cappeau, to write something special for the Christmas Eve midnight mass in the town of Roquemaure, France," she began. "On his way to Paris, Cappeau thought of the Christmas story in Luke 2, and since he was a poet, he imagined how it might have been to be there that night, long ago.

"Placide named his work Minuit that Jewish prophecies Chrétiens, nevertheless once he read

the poem, he knew it had to be put to music. He immediately contacted his famous Jewish composer friend, Adolphe Charles Adams, who composed a beautiful melody. 'Cantique de Noël,' as it became known, was a success—so much so that it became the first Christmas carol ever broadcast on radio, in 1906."

Once the Catholic Church found out about its origins, it deemed the carol unfit for religious services. However, their effort to ban it did not succeed, and to this day, "O Holy Night" is sung in many languages around the world, transporting us to that night when baby Jesus was born, and when angels announced His birth. We fall on our knees and praise God for His gift. S

BEHIND

THE WALLS

hristians everywhere need to read the short book of Jude, which precedes Revelation, the last book in the Bible. It teaches us how to maintain our life with God, and a young inmate had to remind me of that fact. False teachings are prevalent today, just as they were when Jude wrote his letter. We must be on guard, as heresy and false teachings that began in the first century continue to this very day. Early Christians were often taught they could do whatever they wanted without fear of God's punishment, and even today, that theory still exists. Have you considered the value of God's Word?

I don't believe you can read Jude and not determine to stand firm in your faith, and defend God's truth at all costs. Just listen to these verses:

"But you, beloved, building yourselves up on your most holy faith, praying in the Holy Spirit, keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life." Jude 20–21.

"Now to Him who is able to keep you from stumbling, and to present you faultless before the presence of His glory with exceeding joy, to God our Savior, Who alone is wise, be glory and majesty, dominion and power, both now and forever. Amen." Jude 24–25.

#### **JOY AND A PRAYER**

The message began with, "Hello, my name is Adrian<sup>\*</sup> and I am asking for a New King James Version of the Bible. If possible, would you send me one? I would cherish it."

He ended his letter with the following words, which touched me deeply, so I would like to share a portion of his letter with you:

"Joy inside these prison walls... I never thought I could be grateful for this time in here and say it is for my good, but it is my Father's plan to use this just that way; so much has He done as I seek His holy face. The world is not my home and neither is this place; but I know I can bear it by God's sufficient grace. The time that I am in prison, however long that may be, will find me faithful to Him; His loving Spirit leads me from overwhelming grief. Sorrow cannot weigh me down, nor condemnation wear me out; loneliness cannot bring despair as God's Holy Spirit dispels all doubt."

PRAYER LINE 800 752

The young man who shared this message has now been released, and I will look forward to seeing him in the heavenly kingdom.

Recently, another inmate I've corresponded with for a considerable length of time shared a prayer he often prays:

"Lord, make me a beacon of joy to shine forth to everyone I see. Let them see the difference in my life that comes solely from You. Amen."

#### I AM BLESSED

While my desire is to minister to the inmates with whom I correspond, I often find that I am ministered to, as I read their heartfelt letters.

#### **Ruthless and Uncaring?**

Most of us have an immediate problem with the fact that Israel is to totally destroy every living creature-men, women, children, and beasts. Why would God destroy "innocents?" Is He suddenly heartless and ruthless?

The genealogy of Genesis 4 sheds light on this. When Cain's wickedness was established, his descendants followed his lead. By Noah's time, "the Lord saw the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually." The Lord was sorry that He'd made man, and was grieved in His heart. So the Lord said, "I will destroy man whom I have created from the face of the earth, both man and beast, creeping thing and birds of the air, for I am sorry that I have made them." Genesis 6:5-7. However, God's love for fallen man is so great that He extends grace to them for another 120 years!

Long before Jericho, the Lord tells Abraham that "the iniquity of the Amorites [a general term for Canaanites] is not yet complete" (Genesis 15:16), then strives with them for another four centuries! Finally, when Israel's ready to move into Canaan, the Amorites' probation is complete. They've proved they won't change, and God commands their complete destruction. However, this does not mean that righteous ones won't be saved. Rahab proves this, and because of her family's belief in God, they become part of His people.

#### **Cleansing Canaan**

Canaan is to be the Lord's sanctuary, where He dwells with His people. In cleansing the land, the wicked become their own sin offerings-like Nadab and Abihu. As fire burns the sacrifices in the sanctuary for cleansing, so fire cleanses the sanctuary of Canaan. The Lord and His people can now dwell together in the Promised Land.
