## PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

A few months ago, the Summer Olympics were held in Paris, France, where top athletes from around the world competed in their area of expertise—track and field, swimming, and gymnastics, to name just a few. Months and even years of training, practicing, and conditioning culminated in this event featuring the best athletes in the world!

At this year's Olympics, Quincy Wilson became the youngest person to win a gold medal in track and field—and he's only 16 years old! Though he only competed in the heats, his contribution helped the U.S. team qualify and eventually win gold.

I'm reminded of Hebrews 12:1 which says, "Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us."

The race Paul refers to is the Christian race we run daily. It's called living life, or the sanctification process. At times, it's not easy when trials and storms come our way. But they make us stronger in Him. We train ourselves to look to Jesus—the Author and Finisher of our faith—and toward the finish line, which is life eternal. We seek to run faithfully, but when we mess up, get off course, or turn our gaze to the world, we immediately look back to Jesus. "If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness" (1 John 1:9).

Unlike the Olympics, where only one person wins, Jesus offers the prize of eternal life to everyone in this race; and 3ABN is committed to sharing the light of Bible truth with a lost and dying world, guiding everyone toward the finish line.

Thank you for supporting your ministry, *God's ministry*—3ABN.

Greg Morikone  
3ABN President

# GIVING GLORY TO GOD

by Ryan Day

*Now* was released, and as we finish up our second season, we've highlighted many of our viewers' favorite artists, along with new and upcoming artists. That list includes Tim Parton, Jaime Jorge, Danny and Yvonne Shelton, Jennifer LaMountain, 7th Element, Laura Williams, John Lomacang, Vonda Beerman, Josh Singletary, Layke Jones, The Chitans, The Foster Triplets, and many more! We are currently recording our third season of *Praise Him Now*, which begins airing in January 2025. We will also begin airing other new programs in the upcoming year.

## DEDICATED STAFF

We already mentioned that it takes lots of help from skilled professionals to create 26 fresh new episodes each year, as well as maintaining and releasing new content for previously existing series. But while the Praise Him Music Network may be among the smallest departments at 3ABN, our small but talented team works hard to produce big results!

(Left): Ryan Day welcomes Vonda Beerman to 3ABN Praise Him Music Network's flagship program.

I'll be the first to make it abundantly clear that there would be no Praise Him Music Network without my wife, **Stephanie Day**! She is such a blessing, because she keeps me organized and is always there to make sure we are up-to-date in all the behind-the-scenes work that keeps things going—even as she manages her registrar duties for 3ABN's School of Discipleship. She's a Superwoman! Stephanie serves as administrative assistant for Praise Him Music Network and is a vital part of the network's functionality.

**Ben Lingle** is another invaluable member of the Praise Him family. Ben is a skilled audio engineer who makes sure all the audio for the network is distributed properly. He also tunes and mixes for both television and radio. Unlike some of the other networks at 3ABN that focus primarily on video post-production work, all the content recorded for the Praise Him Music Network must be put through an audio tuning and mixing process before the video content can be finalized. And this is where Ben shines. He not only is a talented musician himself, but God has gifted this brother with a musical ear and skills to make our music sound so good when it's all said and done. We are so blessed to have him on our side, helping to create some of the brightest and best-sounding music in the industry.

After the audio has been tuned and mixed, the recorded content is then sent on for video editing and finalization. This final process ends up with **Brandon Armstrong**, who makes everything you see on your screen look great!

TEAM WORKS

He's a tremendously gifted video editor who has an eye for all the important details that go into video production. In fact, he is the best video editor in the world, in my opinion! He has such an amazing attitude, as well as an incredible skill for creating content that just looks beautiful at the end of the day. He never ceases to amaze me with his creative mind. He's a great friend, colleague, and an irreplaceable member of the Praise Him Music Network staff.

As you can see, the Praise Him Music Network is in good hands. The Lord is blessing us to continue creating fresh content with a young and skilled staff that is constantly working to bless its viewers and bring glory to God! Your prayers and continued financial support are appreciated as we move forward making beautiful music for our Lord. ☺

Dee Hilderbrand has been with 3ABN now for 28 years, and it's fair to say that we've never known anyone who has more energy or a stronger desire to be helpful than this wonderful lady!

Raised in a churchgoing family, Dee remembers hearing about the love of Jesus at a young age. "I just wanted His love, so I went forward during an altar call with a sincere child's heart. That moment set the course for my life, and began a search that took me many places."

Her early life was very troubled. She left home at age 14, and after several years in foster care, she requested a judge for emancipation. He not only granted her request, but even apologized for the lack of care she had endured.

When she was 17, she finished high school while holding down a full-time job and renting her own apartment. She accomplished that by working as a cocktail waitress, a casino change girl, a hostess for a bus line, and modeling. Then she met her husband David and together they built several businesses.

But their boats, RV's, motorcycles, and money were not enough. Something was still missing.

While living in Portland, Oregon, they visited a Seventh-day Adventist Church and found a caring pastor just beginning a Bible study class. "As a teen, I'd felt like I was a bad person, and that I'd let God down," she says. "But now I realized that God loved me, and would *accept my love, too!* We joined the church, but were never firmly anchored; so when we moved, we drifted back to our secular lives. But God doesn't give up, and years later, we came back to church after selling our latest business and retiring in Grants Pass, Oregon. We became active in our church and discovered 3ABN—which we couldn't get enough of!

"Then, in 1995, David was diagnosed with non-Hodgkins lymphoma, and nine months later, he died in my arms," Dee says. "He's resting now in his grave, awaiting the Second Coming of Jesus, and I'm so grateful he died softly, without a struggle. Then, a few weeks later, I felt a deep assurance that I would see David in Heaven—and all I had to do was to make sure I was there, too."

### Mending Broken People

A few months later, Dee heard that 3ABN Founder, Danny Shelton,

would be in the area. "I really wanted to meet him because of the impact 3ABN had on David and me," she says. "He invited me to visit 3ABN, and when I did, I was offered the position of Production Coordinator!

"3ABN might have needed me, but not nearly as much as I needed them. Honestly, I was grieving and so lost. I'd gone from 'us' to 'me,' and I didn't know who 'me' was. But God knew my heart, and when I committed it to Him as a child, He took it and said, 'Dee, someday you'll give me your life.' He kept me alive until I could do that, and I have my Aunt Vada and Aunt Velva to thank for it, because they prayed for me every day!

"When I arrived, no one knew what a new baby Christian I was. I was task-focused, not relationship-focused; and when I look back, I see how it was the people here who changed my life. Danny Shelton showed me what it meant to be true to my calling, and his wife Yvonne just loved me for who I was. Mollie Steenson, 3ABN's Vice President at the time, shared love and wisdom that helped me to survive. My co-workers helped me, too—like Cheryl Volsch, the Producer who stood by me, lifted me up, and wouldn't let me get away with anything I wasn't supposed to be doing. Kathy Dugger, who worked in Production, also stood by me—laughing with me and loving me when I needed it the most. And then there was Nikki Anderson in Radio, who was always there when I needed her.

"I made friends that will last for eternity—like Bobby Davis, Doug Garcia, and RobbieD Lauterjung, who all worked in Production. They were God's living witnesses to me, helping me see what a Christian walk looks like. And as younger

Besides working on 3ABN Special Projects, Dee enjoys volunteering alongside Janice Chevalier (L) at the Browse Around, her church's thrift store and food pantry.

people came in, God gave me new friends like Kelly Peterson in accounting, Dara Badger in Radio, and Ian and Angela Vandervalk who just model leadership!

"And then there's my church family! Pastor John and Angela Lomacang have been wonderful mentors, as have Jeff and Charletta Doerr, John and Idalia Dinzey, Michael and Valera Babb, and Jeff and Jenni Poling. And where would I be without my friends Janice Chevalier and Pam Clark? Although I'm retired now, I still work part-time in the ministry; but God brought Curtis Badger to step into my old position because he has talents 3ABN needs now for its growth.

"This is a Mending Broken People Network—and it sure has mended me. I had a lot of emotional and psychological damage when I came here, but God used my co-workers to heal me. Today, I pray and believe that God is making me into the woman He always wanted me to be!"

We praise God for Dee's dedication. She is truly part of our 3ABN Family—and so are each one of you! ☺

## A Very Special Celebration

It's hard to believe, but next month marks 40 years since the night Danny Shelton felt strongly impressed to build a television station that would reach the world with the three angels' messages of Revelation 14—one that would counteract the counterfeit.

From that night onward, through an unending series of miracles, Three Angels Broadcasting Network, Inc. grew from humble beginnings into a global network, transforming countless numbers of lives. 3ABN now broadcasts through 10 television and five radio channels, reaching the screens and mobile devices of nearly every inhabitant of this world through satellite, broadcast stations, cable networks, and the Internet.

### Changing Lives for Eternity

For 40 years, 3ABN has remained true to its calling, utilizing the best technology available to reach a lost and dying world with the good news of salvation through Jesus Christ.

“I have no doubt in my mind that 3ABN is a divinely inspired network,” says 3ABN President Greg Morikone. “As we look back and remember the miracles of the past, we see how God has sustained this ministry—and that encourages us to believe that as we go forward, He will do the same in the future.”

Our Anniversary Special, titled “**40 Years of Changing Lives for Eternity**,” will air as a **3ABN Today Live** program on **November 14 at 8:00 p.m. Central**. This special program will feature many of the miracles that grew and sustained us throughout the years, as well as inspiring music. And since this event is so special, we're leading up to it with brand-new testimonies every day from October 5 through November 13!

“We are preparing a very special celebration this year,” says Jill Morikone, 3ABN's Vice President/COO. “Our remote crew has traveled the country, recording testimonies of people who have found Jesus and discovered truths from God's Word through 3ABN's ministry. We are so excited to bring you some of these testimonies during our 40th anniversary program. God is the One who brings hope and healing, so we invite you to tune in to hear how He is at work.”

Of course, none of this could have happened were it not for those who stepped out in faith, praying for us every day, and financially supporting 3ABN's ministry. Our words of thanks can never match our gratitude to God and to you, our 3ABN Family. Reaching the world with the everlasting gospel is possible when we move in faith together! ☺

## YOU MEAN THE WORLD TO US

**Y**our letters and emails encourage and remind us of God's power to change lives! Here are just a few of the letters we've received recently.

### Love and Support

A recent *3ABN Today* program brought this response: "Your Men on a Mission program was a real blessing to my husband and me. Thank you for being so open and honest about your struggles."

**Anita lives in Madison, Alabama,** and writes, "I'm traveling to Florida the same weekend you are coming here to Huntsville, Alabama, for a rally. I pray for the meetings to be fruitful. I'm not an Adventist, but I do watch 3ABN TV a lot! Please accept this donation of \$40 in honor of your 40th anniversary."

**Eutil lives in Huntsville, Alabama,** and writes, "I watch 3ABN night and day and have been blessed by it for many years. I attended the Huntsville 3ABN Rally and was so pleased to meet you all in person. I just celebrated my 88th birthday on April 12, and I am so thankful to have the chance to support your ministry."

### 3ABN Sabbath School Panel

**Victor and Linda from Livingston, Texas** write, "Your *3ABN Sabbath School*

*Panel* has and continues to be a real blessing for us. We are grateful to have your guidance because you teach God's Truth. It is so refreshing to listen to an accurate representation of God's Word."

**Bob and Virginia of Butler, Missouri,** love that series, too. They write, "Thank you for giving us a Sabbath day we enjoy! We do miss some programs while we're in church, but we enjoy having you in our home like family. Thank you for the *3ABN Sabbath School Panel*. We are praying for the Lord's coming!"

We also have many Sabbath School viewers who live overseas, like **Edison, in London, UK,** who writes: "I am a member of the Filipino International Church here in London, and my family and I have consistently found inspiration and learning through your weekly lesson discussions. I am excited to share that this year, I am committing myself to deeper study and will be assisting our facilitator in our own Sabbath School class. Your panelists' insights have been invaluable, and I would like to request Sabbath School notes from them. We appreciate the meaningful impact 3ABN has on our spiritual journey."

Thank you for your faithful love and support. You mean the world to us! ☺

Kay Anandasivam lives in Australia and recently attended 3ABN's School of Discipleship, where she shared her amazing testimony. "I was born and educated in Sri Lanka," Kay says, "and in 1997, a friend shared that we're all sinful and need Jesus. I'd been hearing about Him, so I said, 'I want to know Him. Show me who He is.'"

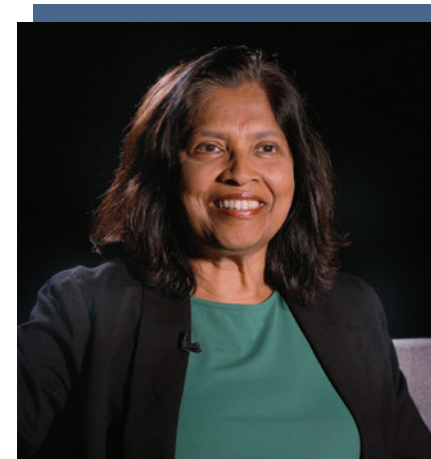

"My friend directed me to a church, and as the pastor prayed for me, I saw a soft, red shawl cover me from head to toe. That moment, I felt all my sins were washed away! Jesus touched me, and since then, I've been following Him every day.

"Years later, everything was going well. I thought I was a good Christian because I went to church every Sunday, read my Bible, and prayed. I'd even gone on mission trips to the Philippines. But as I read Hebrews 4:7, I saw something I'd never seen before about God's Sabbath. I read, 'Again He designates a certain day, saying in David, "Today," after such a long time, as it has been said: "Today, if you will hear His voice, do not harden your hearts." There remains therefore a rest for the people of God.'

"That hit me hard, and I asked God, *What is this?* Then I read verse 11: 'Let us therefore be diligent to enter that rest, lest anyone fall according to the same example of disobedience,' and I said, *God, I don't want to disobey You. I want to know.*"

Since the whole chapter talks about the Sabbath, Kay typed that word into YouTube and was flooded with videos from our *3ABN Sabbath School Panel* as

Kay Anandasivam flew in from Australia to attend 3ABN's School of Discipleship. Her testimony is an inspiration.

*"She heard God speak to her heart, saying, You are on the right path. Follow Me and I will direct you."*

well as Amazing Facts. No matter who she watched, they all agreed that the seventh day is the Sabbath. Then she heard God speak to her heart, saying, *You are on the right path. Follow Me and I will direct you.*

"I found a nearby Seventh-day Adventist church family that embraced me with open arms. And when the pastor began telling me about the Sabbath, I realized I'd learned most of what he was telling me *from 3ABN!*"

As she watched 3ABN online, Kay learned about the 3ABN School of Discipleship. She decided to attend and says she enjoyed the experience immensely.

"This is God's story," she says, "and I give Him all the glory. Jesus is a loving God, and if you go back to the Bible, you will find Him. Get to know Him, because He is your Best Friend!"

YouTube evangelism really works! And your prayers and support make all the difference to Kay and countless others. ☺

# What's Your Why?

by Risë Rafferty, M.S., RDN

A comedian pauses to interact with his audience, passes a mic to a middle-aged man who he's learned is a music director, and asks him to sing a few lines. The man actually has a good voice and chooses "Amazing Grace." Then the comedian asks him to sing it again, "But this time, sing it as if your uncle just got out of jail, and that you've been healed from a gunshot wound and have a new lease on life." The words are the same, but the pathos, the expression, the inflection, the very soul of the song changes. The audience stands and explodes into applause.

When we live by our purpose, the pathos, the expression, the inflection, the soul of our lives dramatically change. So why do you live the way you do? Why do you eat what you eat? Is your lifestyle fueling your purpose, or is it a tangent side-dish you use to appease your cravings, likes, and dislikes?

Whether we are dealing with ourselves, or trying to help others live more healthfully, we often focus on the *what*—what we should change, what we should do, what we should eat. If only we can do the right thing, or get our kids to do the right thing, we feel all will be well.

Wrong. To quote Ellen White, living like that is to live like an automaton. In our health outreach efforts, what if we encouraged people to more clearly identify the *purpose*? Scripture says, "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God" (1 Corinthians 10:31). *The glory of God* is a purpose that supersedes physical strength, health, disease prevention, or avoiding suffering. God's glory is reflected in His handiwork. "The heavens declare the glory of God ..." (Psalm 19:1). As the pinnacle of His creation, and being made in His image, think of the possibilities for us! The Earth will be lightened with the glory of God through His people. His glory will be seen in our redemption and His power to restore us. God will write His signature on our foreheads, showing that we have been restored to His purpose for mankind. Making God's purpose our own is a restoration to one's true self, reclaiming the lost dominion and dignity of humanity. This is why. ☺

“  
Why do you live the way you do? Why do you eat what you eat? Is your lifestyle fueling your purpose or is it a tangent side-dish that you use to appease your cravings, likes, and dislikes?  
”

This fall brings another change as Bruce Chance retires and Addie Weesner takes over the responsibilities as 3ABN Donation Center Manager. Bruce's dedication to this ministry goes back to when he helped Danny and Kenny Shelton build 3ABN's original studio in the mid-1980s. "I worked with them in construction while still working full-time as a coal miner," he recalls. "Then later, my wife Tammy ran cameras, lights, and sound while also serving 3ABN as a secretary. Then, in the 1990s, I was training bird dogs when Danny called me and said he needed help with the items being donated to support the ministry."

"When 3ABN's Donation Center was built, Tammy and our son Trent joined me to set up accounting and inventory software, as well as an eBay store to turn donated items into funds for the ministry. Today, we focus mainly on gold, silver, platinum, diamonds, real jewelry, sterling silver, and gold and diamond watches," Bruce says, "and thanks to the generosity of our supporters, significant funds have been dedicated to spreading the three angels' messages. But the best part for me is that I've met beautiful people everywhere, and I've gotten to know them when I arrived to pick up their valuable donations. Many of them have stopped me before I left and given me even more donations. These wonderful Christians humbly walk with God and listen to His Holy Spirit, and we've all been blessed to witness their generosity and love. I love this ministry, and even though I'm retiring, I'll still be on call and come in on an as-needed basis."

"Bruce and Tammy Chance have done such a great job with the 3ABN Donation Center," says 3ABN President Greg Morikone. "They took an idea, and with God's blessing, made it a reality. As Bruce and Tammy retire, God already had a plan in place to keep our Donation Center going and growing; and since Addie Weesner has been working in this department for a while now, she is transitioning to be its new manager."

Jill Morikone, 3ABN Vice President/COO adds, "Bruce and Tammy have labored tirelessly in our Donation Center since its inception. What a tremendous difference their efforts have made to help spread the gospel through your donated items. As they transition to retirement, God has been preparing Addie Weesner to fill this role, and we look forward to His continued blessing upon this department." ☺
