**PRESIDENT'S LETTER** | Greg Morikone

Dear 3ABN Family,

Have you ever experienced fear of a medical diagnosis or of unexpectedly losing a family member? Perhaps you fear that your children will be lost, or fear the future, the dark, public speaking, or weather events like thunderstorms.

For me, worry is also a form of fear. But when I wake up in the middle of the night thinking about situations or challenges, God patiently reminds me to “Fear not, for I am with you; be not dismayed, for I am your God. I will strengthen you, yes, I will help you, I will uphold you with My righteous right hand” (Isaiah 41:10). What an incredible promise if we focus on Jesus!

He was with His disciples on the Sea of Galilee when the storm arose. Matthew 8:24–27 says, “And suddenly a great tempest arose on the sea, so that the boat was covered with the waves. But He was asleep. Then His disciples came to Him and awoke Him, saying, ‘Lord, save us! We are perishing!’ But He said to them, ‘Why are you fearful, O you of little faith?’ Then He arose and rebuked the winds and the sea, and there was a great calm. So the men marveled, saying, ‘Who can this be, that even the winds and the sea obey Him?’” When I focus my attention on Jesus and call on Him instead of looking at the storm and the trouble it brings, I find peace and calm in my soul. I also find that my middle-of-the-night worries turn into a prayer session with God.

We praise the Lord often for you! You're the reason 3ABN continues to stay on the air, sharing the wonderful news that salvation and peace can be found in Jesus. So be encouraged as you read this special edition of the *3ABN World!* It is a report of what God is doing through 3ABN's ministry. He's the One who calms the storms and brings peace through the proclamation of His Word!

# 40 Years of Changing Lives for Eternity

We marvel at what  
God has done!

by Bobby Davis

As we look back over 40 years of changed lives, we marvel at what God has done! He's raised, grown, and sustained Three Angels Broadcasting Network, stretching our reach far beyond what we could have dreamed through technology, proving that He's a loving God who does not want anyone to perish, but everyone to come to repentance (2 Peter 3:9). Here are some of the ways He's given us to proclaim the three angels' messages of Revelation 14:6-12 with a loud voice!

**YouTube Evangelism** - Our social media evangelism is growing! We're adding thousands of subscribers to our 3ABN YouTube channel every month, and we see a tremendous increase in both comments and hours viewed. In fact, we're on track to exceed **15 million views** this year!

We've launched a brand-new interactive series on YouTube called **3ABN Ignite**, focusing on practical Christianity and offering viewers a chance to share their

thoughts and questions in a live chat. We continue producing short clips taken from sermons that are sent out to everyone on YouTube! So help us out by hitting 'like,' or by subscribing, following, or sharing. God will surely bless your efforts to spread the good news!

**A Surprise Blessing** - This year we received a surprise blessing when LimeX World TV requested to carry our networks—at no charge! LimeX distributes television content from all over the world through SmartTV and mobile device apps to 310 million potential viewers in Africa, 80 million in Egypt, and millions more in Asia, the Middle East, Turkey, Brazil, and other countries. Praise God!

**3ABN Canada Channel** - In July, we added a brand-new streaming channel to 3ABN's lineup! 3ABN Canada President Craig Cleveland and his wife Dawna are excited about the possibilities as they prepare a new mobile production unit for our Canadian team to work from. They'll be traveling across the country recording testimonies, church services, and content for new programs. Watch 3ABN Canada Channel at [3ABN.ca](http://3ABN.ca).

**School of Discipleship (SOD)** The goal of our 3ABN School of Discipleship is to train new

disciples who make more disciples, and students have traveled from near and far this year to attend one of our Intensives. Their response has been overwhelmingly positive, and they say the extra one-on-one time with their instructors has helped them grow into more confident and well-grounded disciples for Christ. Visit [3ABNSod.org](http://3ABNSod.org) for more information or to apply for our next Intensive in March.

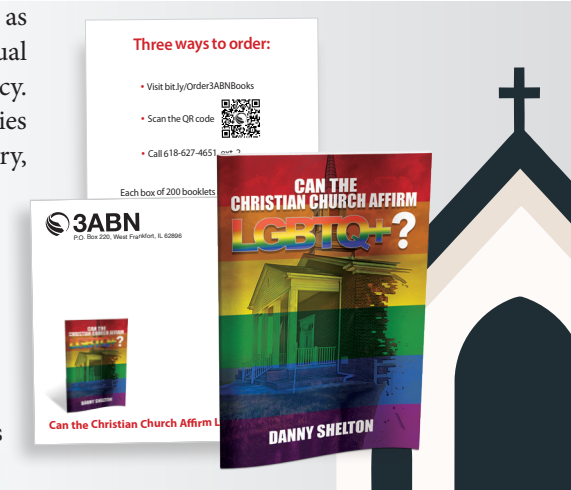

**New Bible Study Guides** - The second set of our 3ABN Bible Study Guides called *Searching Deeper* has just arrived from the press. Each lesson searches for the deeper Bible themes that can guide our lives, and as you study Bible prophecy, they'll keep you focused on Jesus, since everything in Scripture revolves around Him!

Now you can study final events culminating in the Second Coming of Jesus, as well as what the Bible says about spiritual gifts—and especially the gift of prophecy. Other topics include the time prophecies of Daniel and Revelation, the Sanctuary, and much more. Individual lessons can be downloaded for free from our [3ABNStore.com](http://3ABNStore.com) website, where you can also order entire printed sets.

**Church Mailing Initiative** - Christian leaders face many challenging questions today, so this year, we began sending a free copy of Danny Shelton's

booklet, *Can the Christian Church Affirm LGBTQ+?* to leaders of every Christian church in America. This booklet considers this question in the light of God's seventh commandment while offering readers a chance to find more truth through 3ABN's Christ-centered programming. As we go to press, 70 Baptist pastors have ordered thousands of booklets for their congregations, and we're in the process of sending booklets to every Methodist, Lutheran, Episcopal, Presbyterian, and Church of Christ congregation in the United States!

**3ABN Sabbath School Panel** - Interest in this series has grown tremendously this year, so we made the **Sabbath School Panel**

First ever-  
Latino  
Camp  
meeting  
on the  
3ABN  
Campus!

Greg and Jill Morikone (center) speak at 3ABN Latino's Camp Meeting this summer.

**Notes** available to anyone who wishes to study more deeply!

From Tanzania to Tonga, and from Australia to Vanuatu, tens of thousands have signed up to receive them. Just visit [3ABNSabbathSchoolPanel.com](http://3ABNSabbathSchoolPanel.com) and get a special link each week to download their notes—just as they've prepared them.

Our new **3ABN Sabbath School Panel Connect** online Zoom conference is now taking place each month for those who wish to join our panelists for sharing, a devotion, and a chance to ask them their Bible questions live. It's just another way to connect with you—our 3ABN Family!

**Live Events** - We've provided live coverage of wonderful events for many years, and in August, we shared the exciting speakers, music, and reports from members in action from the **ASI International Convention** in Orlando, Florida. Next month, we will be airing live coverage from the **GYC Youth Conference** held from December 27–31 in Columbus, Ohio. Their theme this year is "Wherever He Goes," and we hope you'll join us for a spiritually inspiring weekend.

**3ABN Rallies** - How we look forward to meeting our viewers and listeners at our 3ABN Rallies! We'll never forget the excitement we felt this year at our rallies in Loma Linda, California; Huntsville,

Alabama; Dodge Center, Minnesota; Nassau, Bahamas; and at various locations in New Zealand and Australia! We've met thousands of you and we loved hearing how God has changed your lives. We also loved ministering to you in word and song, sharing firsthand how the Lord is blessing this ministry!

**3ABN Camp Meetings** - Three camp meetings this year brought thousands of 3ABN Family members to our campus. Our Summer Camp Meeting was themed, "Preparation for the Final Crisis," followed by 3ABN Latino's Camp Meeting. Amazingly, some of our Spanish-speaking 3ABN Family members traveled from as far away as Peru and Colombia!

In September, we held our annual Homecoming Camp Meeting with the theme "Revival of Righteousness." We hope you can attend one in the future!

**3ABN Cuba** - 3ABN's work in Cuba continues to experience significant growth in the demand for weekly downloads of 3ABN Latino programming through *El Paquete Semanal* (Weekly Package). Recently, we've ordered **10,000 Bibles** to be sent to Cuba, and soon our viewers will be able to contact our Cuban representatives and receive a free Bible! Be sure to read more about it in our 3ABN Latino Report!

**3ABN Prison Ministry** - Speaking of Bibles, we're on schedule to send out over 15,000 Bibles and other spiritual material to prisoners this year. In addition, we have 125,000 sets of 3ABN Bible Study Guides ready to be sent to prisoners who request them! Please remember those who are hungry and thirsty for truth in your prayers.

**Language Translations** - We're thrilled to provide over 2 billion precious souls who speak Chinese, Arabic, and Hindi with programs that have been translated, voiced, and subtitled in their own language. They're available on our 3ABN+ app and website, as well as on our 3ABN YouTube channel.

**3ABN Ambassadors** - If you're excited about sharing 3ABN with others, please consider becoming a 3ABN Ambassador. It's a great way for Seventh-day Adventist church members to partner with us to raise awareness about our life-changing programs in their church, with their cable company, local prison population, and more. To find out more, contact **Jasmine Carter at 618-627-4651 ext. 3130.**

"What a blessing it is to be teamed up together with God and you to spread the wonderful Bible

truths around the world through 3ABN!" says 3ABN President, Greg Morikone. "I'm especially excited about the opportunities for 3ABN to be translated into many different languages! Jesus is coming soon, and we must not slow down in our efforts to share this message to others."

"Yes, it is a privilege to be a part of the ministry of 3ABN!" adds 3ABN Vice President/COO Jill Morikone. "We are humbled as we look back over this year and see the new doors God has opened for spreading the three angels' messages through 3ABN's ministry. Through your prayers and financial support, many people will come to a knowledge of Jesus and discover the truth in His Word for themselves. Thank you from the bottom of our hearts!"

# JESUS SAVES!

by John Dinzey

As I think about the beautiful mission God has given 3ABN, I think of the hymn “Jesus Saves.”

“We have heard the joyful sound: Jesus saves! Jesus saves! Spread the tidings all around: Jesus saves! Jesus saves! Bear the news to ev’ry land, climb the steeps and cross the waves; Onward! ’tis our Lord’s command; Jesus saves! Jesus saves!”

Yes, I’m happy to report that Jesus still saves, and we praise the Lord for another wonderful year of seeing Him open doors, bringing hope and salvation to millions!

## COSTA RICA EVANGELISM

This past March, we recruited about 30 volunteer preachers who joined us and the South-Central Costa Rica Conference of Seventh-day Adventists in a collaborative effort to hold 70 simultaneous evangelistic campaigns! What a joy to see men and women from different countries united under the power of the Holy Spirit! Over 300 souls were baptized, confirming that “Jesus Saves! Jesus Saves!”

## NEW CABLE COMPANIES

More than ten cable companies signed contracts to carry 3ABN Latino this year

in many cities throughout Guatemala, Honduras, Costa Rica, Colombia, Peru, Panama, and El Salvador. And while I don’t have exact numbers of subscribers, I can tell you that we’re now reaching over two million potential new viewers! Surely, thousands of them will soon join us in singing, “Jesus Saves! Jesus Saves!”

## 3ABN LATINO CAMP MEETING

Last year, our administration encouraged my wife Idalia and me to hold our first 3ABN Latino camp meeting on campus, so we began organizing and promoting this historic event with guest speaker, Robert Costa of *Escrito Está (It Is Written)*. All our speakers presented inspiring messages under our theme, “Preparation for The Final Crisis.”

Hundreds of people came from as far away as Puerto Rico, Colombia, Dominican Republic, Mexico, Honduras, and Peru! And we were surprised and delighted when someone approached us after the last meeting and asked, “When is your next camp meeting?”

Many of those we spoke with commented on the deeply spiritual atmosphere and said they would definitely return if we decided to hold another one.

John and Idalia Dinzey (front row, far left) and members of our 3ABN Latino Team gather with volunteer preachers who traveled to Costa Rica for a huge evangelistic campaign held simultaneously at 70 locations.

## CUBAN EVANGELISM

I cannot finish this article without telling you that your donations are helping to bring the everlasting gospel to every city in the island of Cuba!

Recently, the director of the Cuban TV package, *El Paquete Semanal*, told us that in his annual evaluation trip around the island, he was surprised to hear from his vendors that in some cities, the number of people requesting our Christian programming has increased!

Here’s a message we received from a viewer who writes, “My name is Osmel and I attend the Methodist Church in Cuba. I work for the Lord as a missionary and evangelist, and we greatly appreciate that you distribute 3ABN programming. We have a USB flash drive recording station, and we distribute all 3ABN material free of charge to every brother or citizen who asks for it. We wish to make it known that your efforts are not in vain!”

We encourage you to praise the Lord with us because our interest in shipping Bibles to Cuba has been approved by the Cuban Council of Churches and the Cuban Bible Society!

The Cuban government doesn’t allow large quantities of religious material to enter their country without their approval. But in August, an official from the Cuban Bible Society said, “We’re facing difficult times, and there’s an increase in requests for Bibles. Your interest in bringing Bibles to Cuba comes at a time when people feel the need for encouragement, and they’re realizing they can find it in God’s Word.”

As you read this article, it may be that at least 10,000 Bibles are coming off the press, or are already on their way to Cuba.

As you read this article, it may be that at least 10,000 Bibles are coming off the press, or are already on their way to Cuba. All of them will be distributed free. A portion will be donated to the Cuban Bible Society, and another to Seventh-day Adventist Churches to be given away to people who request them. And 3ABN will also be giving Bibles to those who respond to our free offer in their weekly TV package, as well as visitors who attend evangelistic campaigns organized by 3ABN in Cuba in the future.

Please pray that these Bibles may bring thousands of Cuban people to Jesus! We also ask for your prayers so that every day 3ABN Latino is on the air, Spanish-speaking people around the world will be able to say, “We have heard the joyful sound: Jesus saves! Jesus saves!” ☺

# A GROWING KINGDOM

by Aunt Francine

**T**his year, there's been a tremendous increase in the number of children seeking a closer relationship with Jesus. As they dedicate their lives to Him, we rejoice and see this as a sign that Jesus must be coming soon!

## More Resources and Programs

These are surely exciting times, as more kids express their desire to be involved in our programs, sign-up for our newsletter, and receive our *Detectives of Truth* Bible studies. Every week, the list of children who get in contact with 3ABN Kids Network has greatly grown. We've been blessed to have an iPad at our convention booth where kids have the opportunity to join our network on the spot, and many who sign up go home and tell their friends about the 3ABN Kids Network, too!

It's so encouraging to see how they are networking among their friends, increasing the kingdom of God.

We completed our children's Bible studies, *Detectives of Truth*, in the spring, and in answer to the many requests, the first year of lessons will soon be available in print from our [3ABNStore.com](http://3ABNStore.com) website. In a short time, we'll have the next three years' lessons, too! These are a great resource for kids to study the Word of God, independently, or in small groups—and all lessons can be downloaded and printed at home for free from our [3ABNKids.tv](http://3ABNKids.tv) website!

The third season of *Jesus My Light* focuses on Jesus as the Master Healer and the miracles He performed for His special people. All the Bible scenes have been recorded and the treehouse segments will be finished soon!

## Coming Together

*3ABN Summer Camp Meeting* this year saw a record-breaking attendance of over 185 kids! This incredible gathering of believers was a wonderful experience for all ages, and many expressed their eagerness for the next camp meeting. Even better was the fact that many of them plan to bring a friend or two with them next time.

August was a busy month! Our team barely returned from the ASI Convention in Florida before heading to Gillette, Wyoming, to join over 60,000 kids gathering for the International Pathfinder Camporee! Kids from over 100 countries visited our booth and were excited to receive the pins and resources we brought for them. We conducted a treasure hunt for anyone interested in receiving our one-of-a-kind 3ABN Kids Network spinner pin. Each participant had to "dig for treasure" in God's Word and connect with our ministry affiliates, such as *Discovery*

Clockwise from top left: Kids on *Jesus My Light* set; Pathfinders looking for Bible clues at the Camporee; Aunt Francine and kids doing video blogs; record numbers of kids at 3ABN's Summer Camp Meeting.

*Mountain, Starting with Jesus*, and *Three Angels for Kids*.

As I reflect upon the physical and spiritual needs of the 2.2 billion kids in the world today, I can't help but wonder how Jesus must have felt when He entered Jerusalem for His last Passover. How He must have longed to save each soul in that city, and many more around the world. His heart's deep yearning was to grow the kingdom of God, and He was ready and willing to offer Himself as a sacrifice for sin so we might receive the free gift of salvation through Him.

We thank God and give Him all the glory for growing this ministry, which indeed belongs to Him. We're also very thankful for those of you who see the infinite value of these young lives and support us through your prayers, your time, and your resources. As we serve our Lord together, we are making a difference for eternity. ☺

# Bring Him Honor and Glory

by Ryan Day

Here at the 3ABN Praise Him Music Network we always strive to produce the best content we can for our viewers. Still a growing network, Praise Him has accomplished a lot in just under seven years. And 2024 was no exception!

## Praise Him Now

This year was very productive for the Praise Him Music Network! Like many of the other networks, our flagship program tends to get most of our time.

We started recording Season 2 of *Praise Him Now* back in 2023, and were able to finish recording all the episodes by April of 2024. However, there's a lot of work that goes into preparing these individual episodes to air.

Unlike other networks who produce mainly video only content, music production adds a couple extra steps to the overall process. Before the video footage can be edited and finalized for TV, the music has to go through a tuning and mixing process so that what our audience hears in the end is of the highest quality. It can take up to one week, and sometimes even

two, to finalize each episode, depending on the overall workload. So by the time this year is over, all our brand-new 26 episodes of Season Two will have aired.

## Blessed By Their Talents

The last two seasons of *Praise Him Now* have granted us the blessing of working with many artists including, but not limited to Tim Parton, Jaime Jorge, Danny and Yvonne Shelton, Jennifer LaMountain, 7th Element, Laura Williams, John Lomacang, Vonda Beerman, Josh Singletery, Layke Jones, the Chitans, the Foster Triplets, and many others. We've already begun recording Season 3 of *Praise Him Now*, and we're looking forward to spotlighting many new and well-known artists in the year to come.

When they visit our studios, we try to record anywhere from 10 to 15 individual songs with them for production music use, as well as for showcasing their musical talents in one of our newest programs that began airing this year called *3ABN Music Highlights*.

(Above): We were blessed this year with visits from Gene McDonald (L) and Jennifer LaMountain (R) as well as many talented artists who have dedicated their lives to sharing the love of Jesus through music and singing.

(Below): The Foster Triplets join Ryan Day on the *Praise Him Now* set.

Each episode is a half hour in length and serves as a mini-concert program where each artist can share many of their favorite songs with us. We are even reaching back into the vault for some of our older content from years ago, to mix in some older favorites, as well as the new artists we've captured over the last two years. Thirteen episodes have aired so far, and new ones are on their way.

## Thank You!

Please keep the Praise Him Music Network in your prayers. As we grow and expand, we want to always insure that the Lord is leading and that the music we produce is a blessing and encouragement to our viewing audience.

If the Holy Spirit impresses you, please consider supporting 3ABN Praise Him Music Network financially. With your help, we can continue to bring in more of your favorite artists in the months and years to come.

Thank you for your love and your prayers. We look forward to making more music that will bring honor and glory to the Most High God! ☺

"Thank you for your love, prayers, and continued support."

# WHAT IS PROSPERITY?

by Jeff Doerr

**H**ow do you define prosperity? Most people define it as good fortune, successful social status, or something that produces profuse wealth. However, prosperity can make us forget the source of our blessings.

Do we always remember to give credit to the Giver of all things? How easy it is to be like the man described in Luke 12:16–21 whose ground yielded plentifully. Thinking he had more than enough for many years, he decided to pull down his barns to build greater ones; but God said to him, “Fool! This night your soul will be required of you; then whose will those things be which you have provided?”

Do we live for money or for the Lord? Let us not forget the Giver of all, and may our prosperity not distract us from the One to whom we owe our love and devotion. Our Lord gave us two commandments in Mark 12:30–31: “And you shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength....” And “You shall love your neighbor as yourself.” Our neighbors may live next door, or across the sea in another land! So let’s walk cautiously in this land of prosperity, holding our every possession loosely and giving praise and honor to the Provider of all! And may we be ready and willing to pass on the blessings that have been so abundantly given to us.

## A Celebration of God’s Power

**W**hen Danny Shelton was impressed on that night in November 1984 to “build a television station that would reach the world with the undiluted three angels’ messages” of Revelation 14, he could not have imagined where the Lord would take him. But through the years, his faith only deepened as he saw time and again that “where God guides, He provides.”

## Changed Lives

As we celebrate 3ABN’s 40 years of changing lives, it’s really a celebration of God’s goodness and grace. Only He gets the glory! We’ll hear from Danny and Kenny Shelton as they recall the early days of this ministry and the daily miracles they came to rely on. You’ll feel their excitement as they saw God provide the means and the people to help them build this ministry. You’ll hear how Three Angels Broadcasting Network expanded to its current ten television and five radio channels, and how our production, pastoral, and call center departments work together to minister to you, day and night.

But most importantly, you’ll hear from those who have been *profoundly changed* by the power of the Holy Spirit as a result of watching or listening to 3ABN’s Christ-centered programming. We’ve sent our production crew around the country to record their testimonies, and they’ve returned with fascinating stories from those who were introduced to Jesus through 3ABN’s ministry. We also have stories of those who found Bible truth that changed their life, and those who experienced profound spiritual and emotional healing. So make plans to join us on November 14 at 8:00 p.m. Central for *3ABN Today Live* as we celebrate God’s goodness and give Him the honor and glory He deserves! ☺

(L to R): Danny and Kenny Shelton will share their memories from 3ABN’s earliest days!

# Seed and Harvest

by Jay Christian

John 4:35 says: “Do you not say, “There are still four months and then comes the harvest”? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest!”

## Sowing the Seed

It’s been an exciting year for 3ABN Radio! God has blessed us by expanding the footprints of both 3ABN Radio and 3ABN Radio Music Channel even farther with new affiliates and interests.

We’ve signed an agreement with WLGO 90.1 FM in Sawyerville, Alabama—a station owned and operated by the National Association for the Prevention of Starvation (NAPS), whose members appear regularly on 3ABN. We’ve also signed agreements with Uchee Pines Institute’s WGGR 90.1 FM in Lumpkin, Georgia, and WHGR 91.5 FM in Hurtsboro, Alabama. We’re thrilled to have a new affiliate, WGFY 1480 AM in Charlotte, North Carolina, too! This station is owned and operated by Advent Media Corporation and not only reaches the Charlotte area, but also the Gastonia, North Carolina, and Rock Hill, South Carolina listening areas!

This year, God has blessed us to be able to add many new television programs to our lineup, including *A Wolf In Sheep’s Clothing* with Blessings Winn, *Sanctuary, Salvation, and Our Savior* with Pastor David Shin, and a new evangelistic group of programs with Taj Pacleb, Stephen Bohr, Mark Finley, and Dr. Gregory Evans.

We also added *Unlocking Bible Prophecy* with Cami Oetman, *Heartlift* with Jill Morikone, and the *Love Me* Bible study series, a special program with the Ten Commandments in song, featuring a wide variety of well-known singers and speakers.

*Natural Remedies for Good Health* with Eddie and Linda Clark also added twenty-five new programs, so stay tuned, as we will be releasing programs 14–25 in 2025!

## The Harvest

Our lives are enriched daily and our hearts rejoice with the endless testimonies and miracle stories we receive from our listening audience and faithful supporters across the nation. Here are just a few:

**CiCi in Texas** lost her husband, but listens to 3ABN Radio Music Channel day and night. She writes, “I don’t know what I’d do without the 3ABN Radio Music Channel and 3ABN’s TV programming. I listen and watch daily and never turn off my radio. The music is so comforting to me and helps me feel not only closer to Jesus, but also to my late husband.”

**Marian** sent us this note, saying, “Your 3ABN Radio Music Channel has meant so much to me since my husband of 37 years passed away last May. It has blessed me greatly.”

The owner of **Browning Clark Automotive in West Frankfort, Illinois**, comments: “I recently learned of the 3ABN

“I don’t know what I’d do without the 3ABN Radio Music Channel ....”

Radio Music Channel and have it playing daily at my business. It evokes a tranquil working environment and offers peace and hope to my customers. Thank you 3ABN Radio, keep up the good work!”

**Deb** writes, “I so look forward to the *Musical Meditations* hour as I work around my home. I’m in rural southeast Nebraska, and there are no Adventist churches near me. 3ABN Radio and 3ABN TV are my church family! 3ABN has been such a blessing.”

And finally, **Edward**, a Vietnam Veteran, just wanted to express his gratitude for this ministry. He lost his wife of 53 years in April and says that he finds great comfort and peace in the programming on 3ABN television and 3ABN Radio.

Thank you for your prayers and support of 3ABN Radio. Together, we can reach an ever-wider audience of listeners who long for the peace and assurance that comes from knowing Jesus Christ. 🙏

# God of the Impossible

by Julia Outkina

3ABN team happy in the Lord for His miracles

PHOTOS SUPPLIED

This year has increased our faith in the amazing power of God. Things that seem impossible have been happening through His power and might, driven by His almighty desire for the salvation of the people of this world to continue and expand. Here are some of the miracles that are happening at 3ABN Russia.

## Growing Audiences

Our satellite broadcasting is an important part of bringing the three angels' messages to our Russian audience. We are now on 742 cable stations around the clock, and this number keeps increasing. This indicates that cable companies appreciate our content and want to provide it to their viewers.

We are required to apply annually for extensions to our broadcasting license, but this year, the government automatically extended it even before we applied for it!

Our Russian program content keeps growing. At this time, we have 16,232 video programs in 181 series, as well as 13,095 radio programs in 130 series—and this amount keeps increasing as the Lord gives us inspiration and creativity for new series. We thank God for the ideas He gives us, and for providing us with new and talented hosts and speakers who reach the hearts of our audience with God's love and salvation. Here are some of the programs that are most popular with our viewers, both on satellite and on YouTube:

## Expanded Programming

“Will God Answer the Prayer of a Mother?” from the *God is Real* series.  
 “I Don't Want to Read the Bible” from the *Live Sermon* series.  
 “What Does ‘Don't Judge’ Mean?” from *A Word for This Hour* series.

“God Is Stronger Than Doctors: A Story of Healing” from the *God is Real* series.

“How to Regulate Your Social Environment” from the *My Character and Me* series.

“How to Build Boundaries With Children” from the *It is Considered* series.

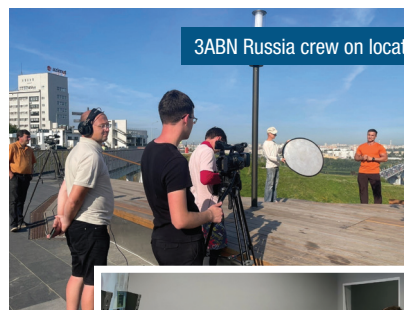

“Avocado for Breakfast—A Variety of Fats in the Diet” from the series *Let's Eat Healthy!*

“Fire Safety for Preschoolers” from the series *Happy School of Health*.

And speaking of YouTube, we feel that its algorithms have found us new audiences among other believers, since views and subscription of our sermons and theological programs have increased dramatically. During the past year, we have seen an increase of 12,310 new subscribers—which is the highest ever!

Another interesting series we've launched this year is called *Repentance*, where pastors, leaders of lay ministries, and other professionals share their views on what repentance is and how it is so necessary for salvation.

“Thank you from the bottom of our hearts for your earnest prayers...”

## New Series

In view of this, the Lord has put on our hearts to make another new series called, *Where is God Now?* Our speaker is Alexander Kamnev, a church elder and an IT specialist who has a deep love and great insights for studying the Word of God. The Lord has miraculously sent him to us, and I am so honored to co-host this program with him! The Sabbath, the Sanctuary and God's Plan of Salvation, the outstanding Bible prophecies as they are interpreted by our church—all these subjects are welcomed by our growing viewing audience.

Each life that's changed through our programs and the power of the Holy Spirit is a true miracle! And yet, the biggest miracles are you, our dear friends and supporters! It is only through your sacrificial hearts and your dedication to the Lord's worldwide ministry of 3ABN that these miracles become possible! We praise God for you and thank you from the bottom of our hearts for your earnest prayers, heartfelt dedication, and the amazing support of our ministry for the glory of God. We know He is with you—and with us—every step of the way! ☺

I can't believe one more year is almost gone, and that the Lord in His mercy is still giving us more time to reach souls for His kingdom before He comes back to take us home for eternity.

This year, 3ABN Français Network has been blessed with the opportunity to record several new series, like *Jesus, Our Advocate in the Judgment* with Pastor Jose Elyse, *The Role of Man* with Pastor Nathanael Gracia, and *Principles of Health* with Marie-Claire Boutrin and Indy Bolo. We also recorded a Christmas concert with Hannah Antonio, a musical special with the Ezequiel

37 Quartet, and *Today's Devotion* with Rose-Hélène Bolo. In addition, we've received many other programs from our partners, including the French Antilles-Guiana Union

Conference of Seventh-day Adventists in Martinique, the Franco-Belgian Union Conference in Paris, *Mieux Vivre* (Better Living) and *Il Est Écrit* (It Is Written) ministries in Canada, and many others.

## Sabbath School—in French

This year we've increased the number of new programs, and we invite you to

watch our daily broadcasts because we're sure they will bless you and your family and bring you closer to our Creator. Our English network has a weekly program called *3ABN Sabbath School Panel*. It has blessed so many people by providing them a daily study of the Sabbath School Lesson that we decided to translate it into French. We continue to receive many encouraging emails of thanks for making it available, along with the notes the panelists use

**"God provided another distribution outlet when a company called LimeX asked for permission to broadcast 3ABN Français ...."**

every week on the program. In fact, the response has been so great that we're making plans to record our own Sabbath School program next year in French! Please pray for this new project to come to fruition next year, knowing that it will be an even greater blessing to those who speak French to hear it in their native tongue.

## God's Many Blessings

Managing 3ABN Français alone was a difficult task, and I praise God for volunteers like Rose-Hélène Bolo and others who shared the heavy load. But now, for

the first time, we were able to hire our own editor, Hannah Antonio. God has given Hannah the gift of speaking multiple languages, and one of them is French! She is editing many of the unedited programs we've recorded in the past, so we thank God for sending her to 3ABN Français.

Not only do I praise the Lord for the programs we're able to air, but also for the ways to deliver them to the homes of thousands of viewers every day. This year, God provided another distribution outlet when a company called LimeX asked for permission to broadcast 3ABN Français in their global app to 310 million potential viewers in Africa, 80 million in Egypt, and several million more in Asia, the Middle East, Turkey, Brazil, and several other countries. What amazes me is that *they were the ones who asked if they could carry 3ABN Français!* What a blessing. This is truly God at work.

If you know someone who speaks French, please tell them to watch our

programs by visiting our website, **3ABNFrançais.tv**. They can also watch on the 3ABN+ app for smartphones and tablets, as well as on YouTube, Roku, mySDAtv, LimeX, NT Paris, or Amazon Fire devices, among others.

And if you have a prayer request or a praise report, we'd love to hear from you. Just email us at **3ABNFrançais@3abn.org**, and we'll be praying for you every Tuesday!

Each time you pray for or financially support 3ABN Français, God helps us produce more programs and brings us new speakers and hosts. Without you we would not exist, so please continue praying for our French network. Together, we can reach the millions who still need to hear about Jesus. ☺

# Mighty Things

by Rosemary Malkiewicz

 **3ABN** australia

John and Rosemary Malkiewicz host 3ABN Now

As another year quickly disappears into history, we thank God for giving our staff and volunteers here at 3ABN Australia a part to play in the spreading of the gospel. 3ABN's ministry in Australia is now 21 years old, and John and I have been blessed to be involved in this amazing work from the beginning. We are very grateful for our committee members, as well as the staff and volunteers who have worked with us at the studio over the last 12 years.

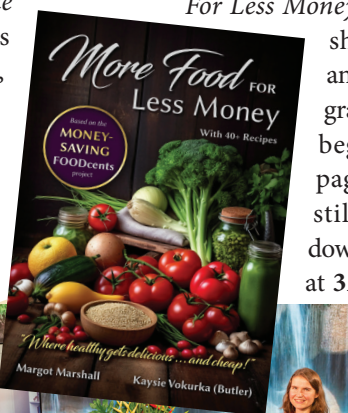

## New Series and Resources

Late last year, we began recording a new health series called *Your Lifestyle as Medicine*. The programmes are hosted by Kaysie Vokurka, a nutritionist and lifestyle medicine practitioner who also worked for a number of years at a health retreat where she gained rich experience in many different areas of health. Her guests, appearing on the programme in person or via Skype, speak on various topics related to lifestyle medicine, including mental and

spiritual wellbeing, and the importance of dental and brain health.

Kaysie also co-authored our 3ABN Australia cookbook titled, *More Food for Less Money* with Margot Marshall, who produced and hosted health programs for us. This book began as a free, 100+ page e-book, which is still available for free download on our website at [3ABN.au/cookbook](http://3ABN.au/cookbook).

However, after many requests, we've produced a printed version which came out this year. *More Food for Less Money* contains over 40 simple and

Kaysie Vokurka

inexpensive vegan (and sometimes gluten-free) recipes, along with information on how to save money on food bills and many other great features. You can find videos of some of the easy, inexpensive, and nutritious recipes on our download page, as well.

## The Blessings of Evangelism

Our 3ABN Australia Homecoming featured 14 programs by various speakers, young and old. Our theme this year was "Christ's Parables for Today" showing us how we can apply Jesus' stories to our own lives in the constantly changing world just before His return.

John and I were also blessed to take part in *PNG for Christ*, a huge evangelistic outreach in Papua New Guinea. This nationwide event with over 2,000 preaching sites, resulted in doubling the membership of the

**God can do mighty things through a small group of people, and He certainly has blessed our efforts to share the gospel...**

Seventh-day Adventist Church in Papua New Guinea in a very short time! The need to nurture new members is great, so 3ABN Australia donated 400 Interless boxes with thousands of stored 3ABN programs that can be played without Internet access. We've also sent over 30,000 of our *Insight* tracts to be passed out. The Interless boxes will be used in local churches to encourage their members' spiritual growth and further evangelistic outreach, while the tracts will be distributed by church members as they witness.

Radio Studio Makeover

## New Radio Outreach

There is a joke in the radio business that says, "You've got a good face for radio!" But that no longer applies since the surge in popularity of short, personal contact videos on the Internet has exploded during the COVID-19 pandemic restrictions. We have seen this as a revolutionary way to expand the reach of our radio programs, and Kyle Serra, our 3ABN Australia Radio Producer, has led the way! He has given our radio studio an amazing facelift, and now, it is more like a hybrid studio with a backdrop, lit by coloured LED lights, a camera, and studio lighting.

Kyle not only records audio programmes to play over radio, but video clips, as well, that are uploaded to our 3ABN Australia Radio's YouTube channel. It is working out very well, and we invite you to check it out for yourself. We think this new way of presenting radio programmes is here to stay!

Yes, God can do mighty things through a small group of people, and He certainly has blessed our efforts to share the gospel message across Australia, New Zealand, and the world through the 3ABN International Network. Please pray for us as we seek to bless each viewer and listener with programmes that uplift Jesus. ☺

# Spreading Good News

by Craig Cleveland

Jesus is the spring of life and happiness, and we see evidence of that as reports come in from 3ABN Canada's Zoom Bible Study initiative. We've run three training sessions this year, and the good news just keeps coming in. In the September issue of *3ABN World*, we shared about Brother Javaid, the Catholic priest in Pakistan who studied with one of our Zoom Bible Study leaders and then preached key Bible doctrines in his six churches before being baptized as a Seventh-day Adventist Christian. Praise God! But as Bible studies progress, one leader asked, "My study contact and I are meeting twice a week online for an hour-and-a-half. We'll be done with the series soon. What then?"

The answer in this case was to connect this lady in Alberta with a nearby Seventh-day Adventist church! We also plan to introduce her to a health study series she can go through with her current study leader, who says, "This lady will make an amazing Zoom Bible Study Leader herself, because she loves the Bible so much and communicates so well!"

Another study interest comes from a Muslim background. He lives in Quebec, but missed five

studies because he was traveling abroad in a dangerous country. However, when he reconnected with our Bible Study leader, he eagerly asked, "Could we meet twice a week? I'd like to catch up!"

Every week, new people sign up for studies after either learning about them through our social media ads or by hearing about them on our broadcasts. We continue to offer Zoom Bible Study training, too, so if you'd like to experience the joy of sharing Jesus in a simple, deep, and impactful way from the comfort of your home, please email us at [info@3abn.ca](mailto:info@3abn.ca) to sign up for our next training program; it meets three times, one hour per week.

## Traveling With Truth

Another way to share Jesus in Canada comes with the purchase of a motor home to be used as a mobile base and studio to work from as our team shares across Canada. Our goal is to film new content across Canada and tow a large cargo trailer with truth-filled books.

The two new key members of our team who will travel with our mobile unit are Sebastian Elias and Elijah Duffy. These

(L to R): Craig Cleveland, Elijah Duffy, and Sabastian Elias.

young men are passionate about sharing Jesus through media, and we look forward to the blessings they bring to our productions. They come to us with video skills, but are also part of the leadership team of GYC Canada, with Elijah just stepping into the role of president. We are praying for God's special blessing on all our ideas and plans, and He keeps opening doors—including this new mobile studio. What a blessing!

If you live in Canada, consider partnering with us by inviting our team to your town. We are expanding our programming content with interviews we'll use in different programs, as well as recording church services.

Our team also loves to reach out to communities, distributing our special 3ABN Canada edition of *The Great Controversy* books that come with the interactive QR codes for *Lineage* videos, and audio versions of each chapter. We also distribute a beautiful health magazine called *Thrive!*

Sharing these gifts, praying with people, and inviting those who are interested to join our Zoom or in-person Bible studies are ways we spread the good news and

give encouragement. We also will keep our video team busy wherever we travel—highlighting what God is doing and their testimonies of changed lives.

Our special Canadian edition of *The Great Controversy*, along with the *Thrive* health magazine and door-hanger bags are available for *free* to any individual, group, or church who is willing to pay *only the shipping within Canada*. All we ask is that you distribute whatever books you receive within 90 days! And if our mobile unit comes your way, we'll bring the books and save you the shipping costs!

Canada, we're here to serve you. Please pray for us as we travel! ☺

"If you live in Canada, consider partnering with us by inviting our team to your town."
