## PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

When my grandfather was alive, he would often tell me a variation of the famous quote: "Live as if you were to die tomorrow. Learn as if you were to live to be 100."

How often I think of him. And I still ponder that saying. How would I live my last day if I knew that I would die tomorrow? Should this question even be asked? For me it is such a solemn thought—one that makes me think and helps me reset my priorities.

James 4:13–14 says, "Come now, you who say, 'Today or tomorrow we will go to such and such a city, spend a year there, buy and sell, and make a profit'; whereas you do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away."

Life is so fragile; it is a gift from God. Do we need to be afraid of what the future holds? No, because we know He holds the future. Matthew 6:34 says, "Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble."

So what are my priorities? What are yours? Let's focus on eternal values by sharing our faith, supporting the work of the Lord, and spending time with God every day. I also want to spend more time with my family and friends, building lasting relationships that go beyond this old sin-sick world.

Eternity is just around the corner, and Jesus is coming soon! Let's be ready. Let's share the Word like never before!

Greg Morikone  
3ABN President

# This IS WHY! by John Dinzey

PHOTOS SUPPLIED It began very small, and no one had any idea that it would be what it is today—the second largest Spanish language Christian television network in the world.

On August 24, we celebrate 3ABN Latino Network's anniversary, remembering that 22 years ago, God began to use it *in a more powerful way* to reach over 500 million people who speak Spanish.

Twenty-one countries list Spanish as their official language, but we also find Spanish-speaking people living in unexpected places—like Switzerland and Japan!

The reason I said God began using 3ABN Latino “in a more powerful way” that day is because that’s when 3ABN Latino Network began broadcasting full-time Spanish language programming. But as far back as 1988, 3ABN was already broadcasting Spanish programs.

By the time I arrived in 1989, our parent network was airing an hour-and-a-half in Spanish every day. Then, in 1995, 3ABN participated in *NET '95*, the first satellite evangelistic campaign organized by the Seventh-day Adventist Church. This series was broadcast live in two of the most widely spoken languages in the world—

English and Spanish.

We believe this happened because God is in control, and as it is written, “... This gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come” (Matthew 24:14). Every day, God uses 3ABN Latino to bring people out of darkness and into His marvelous light (1 Peter 2:9).

We love to participate in evangelistic campaigns—like the one last September with Pastor Luis Orozco, when we worked with the Inter-American Division of Seventh-day Adventists from Chiapas, Mexico. This was the fourth year that our brothers in Mexico organized a nationwide campaign—but this time it was broadcast via 3ABN and the Hope Channel, becoming an *international* evangelistic series. As a result, in Mexico, alone, 5,000 people were baptized!

## PHONE CALLS

“I’d like to know more about the Seventh-day Adventist Church,” said the voice on the line, adding that he and his family had been watching and enjoying 3ABN Latino programs for several months in Puerto Rico. “Actually, we are Mormons,”

(Left): Pastor Luis Orozco's evangelistic series was broadcast around the world on 3ABN and The Hope Channel, resulting in 5,000 baptisms in Mexico, alone. John Dinzey (above) preaches in Guatemala to eager crowds.

he said, “and we know of several other Mormon families that watch, too.”

That reminded me that when it comes to evangelism, many churches hold an evangelistic series once or twice a year. But we are living in the end times, and according to God's command, the preaching of the gospel must continue even when churches are closed for the day and speakers, presenters, and evangelists are in bed, resting! Why twenty-four hours a day? Because there are people awake at night! 3ABN Latino must be on the air continuously as a witness to all nations that there is a Savior!

And speaking of phone calls, I was in my office one night after work hours preparing for a message I was giving. Besides the operator in Master Control, I was probably the only other one in the building. Then I heard the phone ring in the office across the hall—first at one work station, then another, until the ringing stopped; and about a minute later, they rang again. Walking across the hall, I answered that phone call, and I'm very glad I did!

“I've been watching your programming for about two years,” said the lady on the line, “and I wonder if you can help me find a church in my area?” *Praise the Lord!*

## THIS IS WHY

Through 3ABN, God's Holy Spirit is appealing to their hearts for repentance and transformation—day and night.

*This is why* He's opening the way for us to get onto more cable stations, radio stations, streaming services, and social media platforms.

*This is why* we are using artificial intelligence (AI) to translate programs quickly and efficiently into Spanish and other languages.

*This is why* we held an evangelistic series during the month of March in France, and another one in Guatemala during April.

*This is why* we have projects in different countries like Cuba, where 3ABN Latino programming is available on two different TV program distribution packages.

*This is why* we've recruited volunteer speakers to join us in November to preach in Villahermosa, Tabasco, Mexico, at over 100 sites to audiences who have been watching our programs.

Please pray and consider supporting 3ABN Latino so God can continue to use this network twenty-four hours a day to transform lives around the world! ☺

# INVESTING *in* ETERNITY

CALLED | CONSECRATED | COMMITTED

**ASI** 2025 INTERNATIONAL CONVENTION

It's August, and that means that once again, we have the privilege of bringing you live coverage from the Adventist-laymen's Services and Industries (ASI) International Convention, held this year in Orlando, Florida, from July 30 through August 2!

This is more than an event—it's a life-changing experience where ministry leaders, professionals, and lay members unite to learn how to share Christ where they live and work.

"Our convention theme this year is 'Investing in Eternity: Called. Consecrated. Committed,' says ASI President, Dr. Andi Hunsaker. "We will focus on this theme and all its parts, and we'll hear powerful stories and testimonies that ground us in Jesus' sacrifice for us.

"We are happy to hear from Elder G. Alexander Bryant, President of the North American Division of Seventh-day Adventists, as well as our General Conference Treasurer, Elder Paul Douglas, this year. We'll also hear inspiring testimonies from Stephen and Katie Waterbrook, who serve as missionaries in Chad, Africa; and Charise Roberts, a young woman

who is following in her father's footsteps by serving as a missionary pilot after his untimely death.

"Those who attend ASI discover new opportunities to collaborate. They grow spiritually, and leave empowered to further their mission for Christ!"

## 3ABN Coverage

"3ABN and ASI have been close partners in evangelism for many years," says 3ABN President Greg Morikone. "Not only are we blessed by broadcasting this event each year, but also by the privilege of featuring ASI ministries and members who come to tell us the tremendous opportunities they have to share about Jesus!"

Watching ASI's International Convention on 3ABN is like having a front-row seat for the exciting mission project reports and testimonies, as well as the powerful sermons from anointed speakers and leaders.

"As a ministry, we have been blessed by our partnership with this evangelistic organization for many years," says Jill Morikone, 3ABN Vice President/COO. "We believe in ASI's ministry, because their heartbeat is evangelism and the sharing of

**"It's all about sharing the undiluted three angels' messages of Revelation 14 and connecting to like-minded ministries and individuals."**

Jesus Christ in the marketplace. We believe this year's broadcast will encourage and inspire our 3ABN viewers to continue to evangelistically spread this everlasting gospel in their corner of the world! It's all about sharing the undiluted three angels' messages of Revelation 14 and connecting to like-minded ministries and individuals."

Over the years, the generosity of ASI members has benefited many of its affiliated

ministries—including 3ABN—through grants made possible by pledges and a special offering taken up at their International Convention for projects that make a meaningful global impact.

We hope you'll join us as we bring you live coverage of this year's ASI International Convention, July 30 through August 2, from Orlando, Florida. You're sure to receive a blessing! ☺

The Crave is something we all face. It may express itself as a craving for a specific food item, drink, or drug. Or it may not. Deeper than behaviors, The Crave is inherent in our human nature and, if unconquered, it can control us and our behaviors. *Conquering the Crave* offers a practical approach that leads us to a Power outside ourselves where conquering is guaranteed! # Love and Gratitude

Our hearts are warmed as we receive beautiful letters, notes, and comments from those who tell us that 3ABN Latino has made a difference in their lives. Whether they live here in the United States, or in distant countries, we marvel how God can bring them the right word of encouragement in the moment they need it most. Just look at some of their recent comments:

**A YouTube viewer named Nelly**, says, “This is my first time watching your 3ABN Latino programs and I can’t even blink! I was instantly hooked. Seriously, the program is incredibly interesting, informative, and beneficial. I absolutely need to watch this program again—and I already subscribed to your YouTube channel.”

**A viewer in Mexico** says, “You have no idea how much the *3ABN Today Live* on God’s purpose for women spoke to me. Thank you so much for your honesty! I learned so much from each one of you as you spoke directly about the questions I’ve been struggling with. I am so encouraged!”

**Eddy writes from Cuba**, saying, “Good morning. I’m hoping to have my question answered on your *Respuestas Bíblicas (Bible Answers)* program. I am watching your programs through our weekly video package distributed here in Cuba where many

of us Christians have questions for which we seek answers. Who better to guide us to the Word of the Lord than experts in biblical topics like those who appear on this program?”

**Elsa lives in Havana**, and says, “I’m a Cuban living in the Fontanar neighborhood of Havana City, and I’m listening to your programs in the early hours of the morning. I am deeply moved by this sermon delivered by Pastor Andrés Portes. The Holy Spirit has touched me with His strength, and I accept the challenge God is presenting to me!”

**Omar writes**, “After many years, I was finally able to tune in to 3ABN Latino again. I remember this network when I was a child—and I loved it! Then today, I found your website, and from the moment I heard the opening to one of your programs, childhood memories flooded back to me. I’m grown up now, but I will continue following you. God bless you all!”

And finally, a short note from **Miguel** simply says, “Although I am no longer a Seventh-day Adventist, this channel makes me want to come back!”

Thank you for keeping 3ABN Latino on the air, preaching the gospel of Jesus Christ and the three angels’ messages to the world. All day—and all night. ☺

# They Heard a Voice

**F**rank\* was desperate. So desperate that he had given up completely. And now, overwhelmed by pain and sorrow, he decided to take his own life. Gun in hand, he sat quietly in his living room, mustering up his courage.

Turning up his TV as loud as it would go, he hoped no one would hear the gunshot. But something stopped him in his tracks—the voice on his TV that said, “Friend, Jesus loves you. He died for you!”

Like an arrow, Pastor John Carter’s words pierced the darkness of his mind; and still holding his gun, Frank listened as the pastor talked about the value of his soul—and how much Jesus cared for him. A flicker of hope flashed through his mind. It was as if God was speaking directly to him!

Putting down his gun, Frank called 3ABN’s Pastoral Prayer Line and our pastor prayed with him, sharing Scripture that revealed God’s great love, mercy, and tender promises. Slowly, Frank realized the great value God placed on him, and how He miraculously reached him at his *last moment* of no return. That day, God used 3ABN to spare a man’s life in a story that has been repeated over and over.

## Mending Broken People

Centuries earlier, a woman named Mary heard a Voice that changed her life, too. Crushed by the weight of her sin, she was a hopeless, demon-possessed woman. But Jesus saw her heart, and through His great love, the woman once tormented by evil became one of His closest followers.

She sat at His feet, listening to Him teach. She anointed Him with precious oil and washed His feet with her tears. She stood by Him at the Cross and followed Him to His tomb. She was the first one at His grave after His resurrection—and the first one to share the news that He was alive again!

Jesus knows what we’ve been through. He never turns us away. He gives us hope and freely forgives all who come to Him with a humble heart. Connected to His divine strength, we can stand beside Him—covered by His robe of righteousness!

We are honored to pray to our Heavenly Father with you. ☺

# 3ABN+ on New Samsung TVs

Television technology and viewing habits have changed tremendously since the U. S. switched from traditional standard-definition analog broadcasts to high-definition digital TV. Once dominated by cable and satellite providers, TV content is now widely accessed through high-definition streaming services; and viewers are no longer tied to fixed schedules or limited channel selections. Instead, they can watch now what they want, when they want, on a variety of devices by simply accessing an app. As Internet speeds and accessibility improve, on-demand streaming continues to reshape how the world experiences television and we believe that God intends for us to use every technological advance to make the gospel more accessible.

We're excited that the free 3ABN+ app is now available as an app choice on every new Samsung TV sold this year in the United States! And soon, it will be available to those who have older Samsung sets, as well as sets being sold overseas.

"The gospel message 3ABN has proclaimed for over 40 years has not changed because *God does not change*," says 3ABN President Greg Morikone. "But what *has* changed through the years is *how* we share the message. Technology has continued to advance—and we believe in using every possible means to reach people with the gospel.

"That's why we're excited to finally be on the new Samsung smart TVs. We believe many will find the message through Divine Providence as they scroll through the app options on their new TVs, and that God will lead them into truth."
