PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

The sun had set and the darkness of a moonless night settled over the countryside. Enjoying the calm and cool of the evening, I sat in my lawn chair listening to the creatures of the night stir and serenade each other. What a peaceful evening.

In the distance, a different sound caught my attention as a vehicle slowly made its way down the gravel country road, stopping a few hundred feet away. I heard a couple of low voices. A car door opened and then closed quietly. The vehicle continued carefully past me as I sat hidden in the shadows, a few feet away from the road.

Wow, that was strange, I mused to myself.

All was still, then suddenly, a large twig snapped. I heard a footstep. I was not alone. Someone else was not far away!

The hair on my neck stood up. I felt I was being watched, though I couldn't see them. Then I heard the muffled jangle of metal tools, so I quietly crept behind our house to call the police—without the glare of my cellphone or my voice bringing attention to my whereabouts.

When the police arrived, they found someone had been stealing brass pipe fittings from oil well tanks. Their backpack of stolen items was found, hurriedly discarded in the ditch.

As I contemplated the evening's excitement, I was reminded of how darkness is the absence of light. I couldn't see who or what was out there because there was no light. My fear grew because I could not see.

We live in a dark world. Every day, people are looking for light—for answers—from the Word of God. Because of you, 3ABN can share the Light of the world—Jesus—with a confused and fearful world.

Thank you for standing with us. Let's share the Light!

Greg Morikone
3ABN President

Every Day. Every Soul. Every Nation.

For 41 years, 3ABN has been lifting up Jesus, preparing hearts for His soon return. But above all, 3ABN has remained dedicated to its mission of proclaiming the undiluted three angels' messages of Revelation 14 to the world.

You're already part of our family, but with 3ABN Evangelism 365, you can become a Family Partner in our Father's business in a simple but powerful way.

3ABN Evangelism 365

The vision is summed up in the words: "Every Day. Every Soul. Every Nation." For just \$1 a day, you can help keep the gospel on the air around the clock, reaching souls around the world with truth and hope. Your gift sponsors Christ-centered programs across *all 15* of 3ABN's networks.

If you already support God's work through 3ABN, let us know you'd like to join as an Evangelism 365 Family Partner and begin enjoying your special benefits! And if you've been blessed by our programming but haven't yet supported, now is the perfect time to extend that blessing to others.

"Evangelism isn't just for pastors, evangelists, or missionaries—it's for every believer," says 3ABN President, Greg Morikone. "It's about everyday people partnering with God to do eternal work.

Your gift of just \$1/day makes you part of our global 3ABN Family, bringing truth to distant places we cannot go. *That's the heartbeat of Evangelism 365!*"

"Every program is more than just content, it's a lifeline of hope!" says Jill Morikone, 3ABN Vice-President/COO. "And because programs remain online after they are broadcast, your gift keeps multiplying for years to come. When you join 3ABN Evangelism 365, you're not simply a supporter—you're a *Family Partner!*"

The Urgency of Now

What if your \$1 today meant someone's eternity tomorrow? What if your daily gift brought peace to a troubled mind, hope to a broken heart, or salvation to a searching soul? The doors to evangelism are closing and media restrictions are tightening; but the gospel still flows freely through 3ABN's broadcasts and digital platforms.

Evangelism isn't just an event. *It's every day. Every soul. Every nation.* Together, we can keep the everlasting gospel on the air—365 days a year—until the whole world knows.

Father, thank You for the honor of sharing Your gospel every day. Bless every gift, that it may bring more light into the world. Keep us faithful until every soul has heard. In Jesus' Name, Amen. 🙏

"Evangelism isn't just for pastors, evangelists, or missionaries—it's for every believer."

— Greg Morikone, 3ABN President

Sponsor a Prisoner

BRING IN THE LIGHT

by Bobby Davis

In Matthew 25:36, Jesus says that when we minister to those who are behind bars, we are ministering to Him. Hebrews 13:3 also urges us to “Remember the prisoners as if chained with them....” Yet it’s so easy to forget or let the needs of prisoners slip from our prayers and our minds.

Behind the walls of every jail and prison are those who feel hopeless, broken, and forgotten. A letter of encouragement, a Bible, and a study guide all remind them that God cares for them—and someone else does, too.

SPONSOR A PRISONER

Do you want to bring light and hope into the lives of those who feel forgotten? For a one-time gift of just \$30, you can sponsor a prisoner for *an entire year*, providing them with a special 3ABN Study Bible and a set of 14 Bible Study Guides tailored to those who are behind bars. It also covers postage, so these life-changing resources can reach them, along with ongoing correspondence from our 3ABN Prison Ministry team. In addition, it allows us to send them small spiritual booklets and uplifting reading material throughout the year, bringing hope, truth, and encouragement to someone who desperately needs to know that God hasn’t forgotten them.

As time goes by, prisoners often reach a point of deep reflection as they face the consequences of their choices and the reality of their broken relationships. Stripped of distractions and comforts, they feel intense guilt and loss, and in the silence of their

confinement, their hearts often turn toward God, longing for forgiveness and peace.

WORDS OF GRATITUDE

Dustin writes, “I’m so very grateful for this Study Bible, along with the books you’ve sent me. They’ve kept my spirits lifted in the dark times I face. May God bless the work you do.”

Craig writes from a jail in Dallas, Texas, saying, “The books you sent have transformed my life, heart, and soul. Could you please send me a Study Bible? I’ve read my whole Bible eleven times in eight months, and I’m ready for a true Study Bible! You are saving souls out here!”

An inmate at a prison in Indiana writes, “I found a pamphlet for free spiritual books from you. I just got done reading *The Desire of Ages*, and it brought tears to my eyes as I read what Jesus did for me. I’m reading *The Great Controversy* now, and would like to request the *Acts of the Apostles* and *Patriarchs and Prophets*, too.”

And finally, Rickey writes, “Last night at mail call, I received the nicest Bible I’ve ever seen in my life—from you! I want to express my deep appreciation for it. I have already started reading it, and I can’t stop touching it! This Bible will take me far, because I’m serving a life sentence. Thank you, and I pray you all remain well and blessed.”

Father, help us see You in all who suffer. Let us bring hope to those within prison walls. Teach us to love as You love. In Jesus’ Name, Amen. 🙏

The Gospel Delivered

by Jasmine Carter

For 41 years, God has used 3ABN to share Christ-centered programming with people around the world. Yet even today, there are thousands of households in the United States who have never heard of 3ABN!

This is not because they wouldn't want to watch, but because they don't know we exist, or where to find us on their local cable channel, local antenna channel, or on our free 3ABN+ app.

That's what makes Sponsor a City such an exciting opportunity. This project gives you the chance to help us reach an entire city—creating neighborhood awareness where 3ABN is already available by using a simple, powerful tool: a postcard!

A Personal Invitation

When you sponsor a city, your gift covers the cost of sending postcards to households across that community served by our local channels, announcing, "3ABN is Here!"

It will also include:

- The local cable channel number(s)
- The local antenna channel (where available)
- Information about 3ABN Radio (where available)
- A QR code link to the free 3ABN+ app

A postcard is a personal invitation delivered right to their mailbox, making it simple for families to discover Bible teaching, children's programs, health and wellness, uplifting music, and much more.

This isn't about choosing between cable or digital. It's about using every tool God provides us to reach every home in your city with the message of hope and salvation. City by city. Neighborhood by neighborhood.

Making a Real Difference

Your support of this project really can make a difference in someone's life. In fact, God promises in Isaiah 55:11, "So shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it."

A simple postcard can have a ripple effect, too, because once someone discovers 3ABN, they often share it with their friends, neighbors, and loved ones!

Every city sponsored represents countless opportunities for changed lives. Won't you consider what you can do to help?

To join us in this mission, please call **618-627-4651 (extension 2)** and mention **Fund Code 314** with your donation.

Together, we can place an invitation that will bring Christ-centered programming into homes that don't yet know about Jesus.

Father, may each postcard be a seed of hope, leading families to find their Savior through Christ-centered programming. Touch hearts, transform lives, and draw whole communities to You through these simple invitations. In Jesus' Name, Amen. 🙏

HOPE

ACROSS SHORES

The mission: to bring the everlasting gospel to nearly 11 million people in the country of Cuba. *How do we accomplish this? What is the best way to reach the people?* These were questions we asked ourselves for several years.

Then, in June 2021, the Lord performed a miracle and the Cuban government approved including 3ABN Latino programming in the *El Paquete Semanal* (The Weekly TV Package).

Since Cubans have only five national TV channels to choose from and no cable TV, *El Paquete* is incredibly popular as their best source of affordable international TV programming. It is available in every city—including those that have no Seventh-day Adventist churches. What a truly unique and tremendous opportunity for people to access our life-changing programs!

Geosvany Gonzalez, Director of *El Paquete*, states, “*El Paquete* is the most effective way to bring a message to the Cuban people. In Havana alone, there are hundreds of places where people can purchase it.”

GEOSVANY GONZALEZ

BIBLES FOR CUBA

It is not difficult to confirm that Cuba is facing one of the most challenging times in its history. And since we pay a monthly fee to be included in this weekly TV

package, we invite you to help transform lives in this country where the gospel is so desperately needed. Cubans are looking for hope—and true hope can only be found in Jesus Christ.

That’s why we’ve already shipped 20,000 Bibles to that country, but that is not nearly enough. I’ve visited several churches in Cuba, and when I’ve asked the members, “Who needs a Bible?” about one fourth of them raise their hands. I’ve even seen a member with a Bible held together by staples!

TIME FOR THE HARVEST

What Jesus said in Luke 10:2 is true in Cuba, as well: “... ‘The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest.’”

In April 2026, 3ABN Latino will be involved in four evangelistic campaigns in Havana, Cuba, and we are praying for the Lord to bless us to be able to print more Bibles, as well as the new 3ABN Spanish Bible Study Guides, to help mend broken people in that nation. Your prayers and support are valuable and greatly needed!

Father, give us hearts of compassion for those who hunger for your Holy Word. May our gifts, prayers, and efforts in Cuba bring forth precious souls for your kingdom. In Jesus’ Name, Amen.

Bridging the Language Gap

by Bobby Davis

Jesus gave His disciples the Great Commission in Mark 16:15—“... ‘Go into all the world and preach the gospel to every creature.’” From then on, His followers have been faithfully working to carry this out—and so has this ministry.

Since 3ABN’s first Russian programs were produced in 1992, 3ABN has steadily increased the number of programs in other languages.

Today, in addition to English, we also produce and broadcast programs in Spanish, Russian, French, Portuguese, Mandarin, Arabic, and Hindi.

However, millions of precious souls still haven’t heard the message of salvation in their own language, and the question of how to reach them continues to be a constant topic of study and prayer for us.

A New Tool

With this in mind, we have been very excited to find that God has given us a new tool to bring the everlasting gospel to people groups we’ve never been able to reach before! And while some may worry about artificial intelligence (AI), we see it as a marvelous gift from the Lord to be used for His glory.

AI translation allows us to produce programs in any number of new languages far more quickly than if they were translated and voiced by professional translators. And even better is the fact that AI translation costs just one-seventh of what traditional translation costs!

Of course, we are extremely careful to make sure the AI translation is accurate, so *every word that’s translated is carefully reviewed by qualified native speakers* to be sure of its theological accuracy and faithfulness to the original message.

We’ve already begun airing AI-translated versions of our 3ABN Sabbath School Panel in Spanish, French, and Portuguese, and the response has been huge. Every week, we receive emails and comments about how viewers appreciate being able to watch these programs and hear them in their native tongue.

We believe this is only the beginning, and that with your help, we will be able to expand into many more languages, reaching countless millions who are still waiting to hear God’s truth in words they understand.

How Can I Help?

Are you excited about this chance to reach a vast audience of viewers and listeners who speak different languages? If so, your gift of \$25 can help sponsor an hour of translation into another language!

Never before have we been able to do so much with so little. God truly is giving us the tools to fulfill Jesus’ Great Commission to “Go into all the world and preach the gospel to every creature.”

Father, so many still haven’t heard about Jesus. Thank you for this marvelous tool, and may we use it the way You intended, bringing precious souls to You! In Jesus’ Name, Amen. 🙏

Empowering the Message

by Bobby Davis

What a powerful medium we have as we seek to spread the gospel of Jesus Christ to the world! Television and streaming video have proven to be a way to continuously preach day and night to audiences searching for truth—reaching through walls, across borders, and into places we could never reach in person.

Of course, production equipment eventually becomes outdated and must be replaced. But praise God, advances in technology now offer more features, higher quality images, and powerful digital tools at a much lower cost than ever before!

We use remote equipment for smaller events where 3ABN production trucks would be impractical. And after many years of service, we've begun to replace some of the outdated equipment with more efficient models that deliver much better quality at a fraction of the original cost.

Filling a Need

"Our remote equipment can do pretty much everything our production trucks can," says Jorge Jaque, our 3ABN Production Manager. "We are producing smaller events with it that don't require nearly as much equipment, like the 3ABN Night Light broadcasts from the General Conference Session this summer in St. Louis, Missouri.

We're also using this equipment for other events like the *Adventist Medical Evangelism Ministry (AMEN) Conference*, the powerful testimony interviews we're

recording, and even our new Christ-centered social media shorts."

Our current needs also include replacing our studio incandescent lamps with modern LED lights that use a fraction of the electricity and emit no heat—drastically cutting our air-conditioning costs.

"Remote equipment and lighting are all used to help share the gospel," says 3ABN President Greg Morikone. "In fact, without them, it would be very difficult to bring the Good News to every corner of the world.

"We take your donation to 3ABN very seriously. Since God has impressed you to support, our responsibility is to use those funds wisely. That includes embracing new technology such as the LED lights which are so much more efficient, saving us thousands of dollars per year."

Each piece of updated equipment represents more than just technology—it's a tool in God's hands to reach souls who are longing for hope and truth. Your gift allows us to continue replacing outdated cameras, switchers, audio gear, and lighting so we can keep producing high-quality programming that clearly presents the everlasting gospel. Working together, we can make sure that every sermon, song, testimony, and word of encouragement shines clearly for God's glory.

Father, bless the tools You have placed in our hands. May the seeds we sow bring an abundant harvest for Your glory. In Jesus' Name, Amen. 🙏

Planting Seeds of Faith

by Aunt Francine

Imagination and creativity are extraordinary gifts God has entrusted to each of us, “For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them” (Ephesians 2:10).

Seeds of Creativity

Many of us have witnessed the excitement of children when they proudly display their work, whether with Legos, a painting, or solving a puzzle. I have observed several of our children composing their own music and then coming to our studio to share those songs to be a blessing to others. Many times, we adults consider some tasks to be impossible, yet kids often display the mindset of being able to find solutions.

Sowing the Word

Creativity is a powerful tool kids use while witnessing in their communities, too. Anastasiia and Alena share *Detectives of Truth* Bible studies and *Jesus, My Light* resources while teaching English to their Russian friends. Parents, though often cautious about religious materials, welcome these lessons since their children are learning English while also exploring Scripture.

We’re currently launching a project to provide *Detectives of Truth* studies—and later Bibles—to students in faraway places like Zambia, as well as here in America. You can help by becoming a sponsor, so more children like Anastasiia and Alena

can demonstrate their enthusiasm to utilize their good works and creativity for the Kingdom of Heaven.

Join Us in Planting

Your sponsorship of \$30 will provide a whole year of *Detectives of Truth* Bible studies for a child who wants them, or \$50 will sponsor two children. We really need your help because many of these kids who are asking for Bible studies don’t even have a Bible. In addition to sending the children’s Bible lessons, we need \$78,000 to print Bibles and place them in the hands of children seeking a relationship with Jesus Christ.

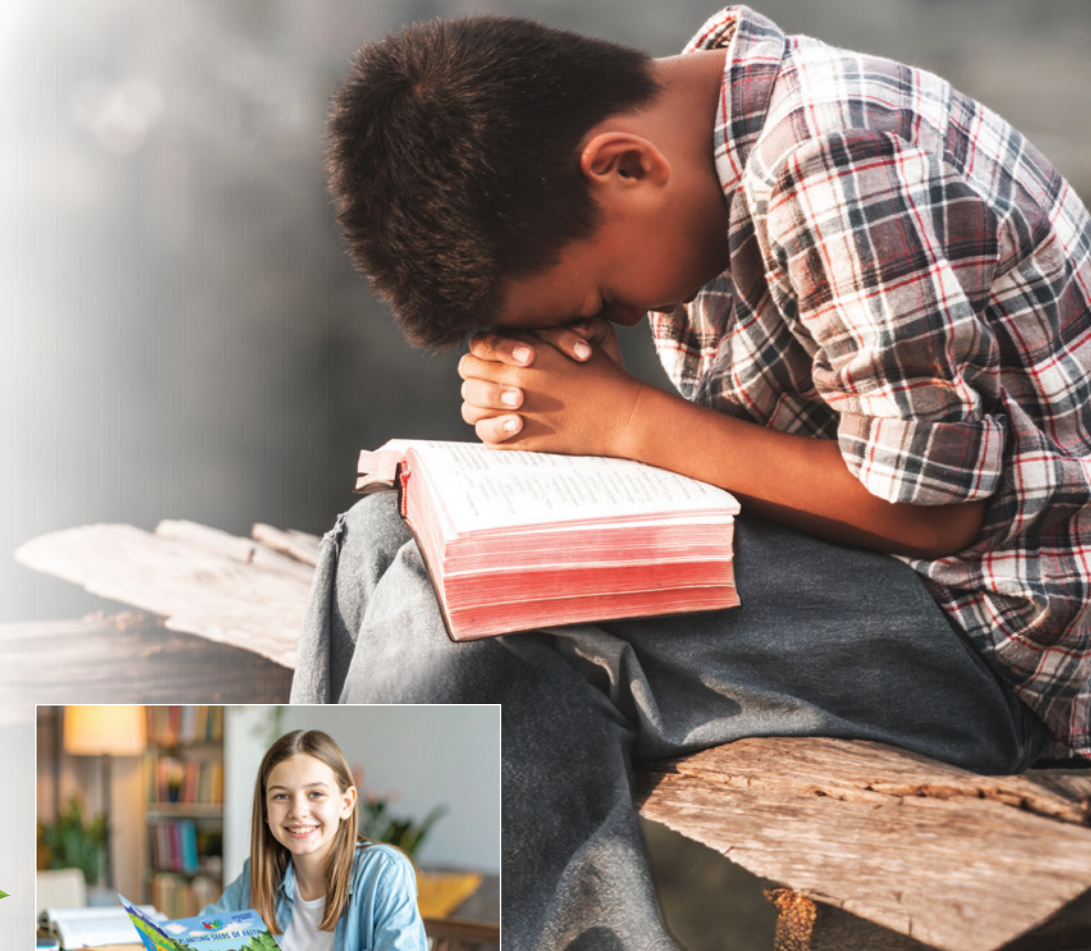

My petition comes sincerely from the depths of my heart: Jesus is coming soon, and we urgently need your help to place these Bibles and *Detectives of Truth* lessons into the hands of our youth. Together, we are sowing seeds of faith—seeds that, by God’s grace, will blossom and flourish into a lasting harvest for His Kingdom.

Father, our children are eager to learn about Jesus. May we do all we can to help them find the joy of knowing You and sharing Your love with others. In Jesus’ Name, Amen. 🙏

We live in a very fast-paced, TikTok-driven world. People—and especially the younger generation—are looking for content that’s short, impactful, and meaningful. And that’s why 3ABN is placing a strong focus on expanding our presence across social media.

MAKING A DIFFERENCE

It is estimated that approximately 70 percent (about 5.6 billion) of the world’s population uses the Internet. Of those, over 5.4 billion (or roughly 96.3 percent of all Internet users) are active on social media.

Perhaps not surprisingly, younger adults have the highest usage—between 80–90 percent in many countries—with strong rates among adults under 50, and smaller numbers among seniors. These are the very people we must reach—and the ones Satan is working hardest to distract!

God has given us these platforms as an opportunity to reach people from all walks of life, anywhere in the world—as long as they have access to the Internet. And we’re happy to say that 3ABN’s presence on YouTube, Facebook, Instagram, and other platforms is already making a difference!

We’re seeing real impact in the lives of those who engage with our content. So, in an effort to continue growing our audience, we’ve launched exclusive social media content, including short Bible topic videos, health tips, and music videos—especially on our Praise Him Music

YouTube channel. But we’re not stopping there. We have much more in the works!

FRESH AND RELEVANT

Looking ahead, we’re excited about producing even more exclusive content for our 3ABN+ video-on-demand platform, featuring fresh, relevant programming for viewers everywhere.

If you enjoy watching 3ABN on social media, why not share it with your friends and family? Every time you share our content, it helps us grow our reach. But more importantly, it spreads the message of Jesus to those who need it most.

Let’s look at social media as more than just a tool. *It’s a mission field*, and your support helps us shine the light of truth and salvation into that space.

We’re looking forward to what God has in store for us as we continue to learn how to use this powerful evangelistic tool. And the best part is that we can all join in to share Christ-centered content that makes a difference for eternity!

Thank you for your support of 3ABN, and for being part of our worldwide 3ABN Family! Your prayers, viewership, and financial support make all the difference.

Father, may we use every form of social media to spread the gospel. May the seeds of truth land on fertile soil and grow, yielding a great harvest for Your kingdom! In Jesus' Name, Amen. 🙏

Hope on the Web

by Bobby Davis

When 3ABN began broadcasting a few hours of programming on a single satellite in the mid-1980s, no one could have imagined the technology that is used today to broadcast the three angels' messages of Revelation 14 around the world. But God did, and as Danny Shelton stepped forward by faith, God opened the doors.

In a few short years, 3ABN was not only broadcasting to North America by satellite, but also over a rapidly growing network of new television downlink stations built by our growing and enthusiastic supporters.

But as thrilling as this was, no one saw how advances in technology would soon allow 3ABN to reach around the world through a network of satellites, to become the very first television network to broadcast around the world 24 hours a day!

And then came the Internet—that mysterious digital medium that suddenly exploded on the scene in the 1990s. Yes, God knew all along what we would need—and He prepared the way!

Streams of Light

Today, 3ABN is available in all the inhabited continents of the world, proclaiming the grace of God, the joy of salvation, and the three angels' messages to every nation, tribe, tongue, and people (Revelation 14:6).

As an early adopter of Internet technology, 3ABN launched a website in September

of 1996, and not long after, we began streaming video to computers. Then, as technology advanced, we expanded our streaming to set-top boxes, tablets, and eventually smartphones.

Video content is migrating more and more to mobile devices, and our 3ABN+ app has made it easy to watch and listen to all 15 of our live network streams, as well as thousands of hours of programming on-demand.

Although our primary method of distribution for many years was via satellite, 3ABN now streams on Roku, Apple TV, mySDAtv, Amazon Fire TV, Samsung TV, and many other devices. In addition, we also stream to IPTV channels, cable companies, and YouTube, where this year alone we've racked up over 14.2 million views, totaling nearly 288 million minutes.

Our 3ABN+ app has logged over 8 million views and nearly 402 million minutes streamed to an estimated 67,575 mobile app users.

God is doing a marvelous thing. Won't you consider sponsoring this powerful means of reaching the world for Jesus? Surely He will bless everything we do for Him!

Father, thank You for giving us the very best tools to reach our lost and dying world. Bless our efforts to bring them the good news of salvation and the hope of spending eternity with You. In Jesus' Name, Amen.

So many of you have chosen to show your love by sending us your cherished items, knowing we will use them to proclaim the undiluted three angels' messages of Revelation 14 to those who are hungry for truth.

Our 3ABN Donation Center accepts gifts in kind that we resell on our 3 Angels Gift Shop eBay store. We accept items like coins, jewelry, antique and new collectables of all sorts, electronics, model cars and train sets, fine china, dolls, figurines, musical instruments—even vehicles and motorhomes—and all the profit goes to keeping the good news of the gospel on the air!

Giving to the Lord's Work

Your cherished gifts make a huge difference every day. But before sending us your items, **please call us at (618) 627-4651, extension 3079**, to tell us what you want to give. Of course, we're always happy to provide you with an assessment report for tax purposes, if you'd like one.

Your cherished gifts are powerful tools in God's hands. Thank you for partnering with 3ABN to proclaim the everlasting gospel around the globe every moment of every day until Jesus comes! ☺

When you send us your treasured gifts to further the Lord's work, Addie Weesner is committed to getting the best price for them. Thank you for all you do for the Lord!

A Journey of Faith and Legacy

by Jeff Doerr

By 2048, the world will see the greatest transfer of wealth in history—over \$100 trillion—and for Christians, this is a unique opportunity to leave a lasting impact for eternity. The question is, will this transfer of wealth help to expand God's kingdom?

A commitment to the Lord

The Bible reminds us in 1 Corinthians 4:2 that we are to be faithful stewards, and that our plans should reflect our commitment to God's mission, and not just our personal or family interests. Our estate plans can then become a testimony of our faith and a blessing for generations to come.

Careful planning and intentional giving, wills, trusts, and legacy gifts all ensure that we follow the wise advice, "Honor the Lord with your possessions, and with the first-fruits of all your increase" (Proverbs 3:9).

Together, we can turn this historic wealth transfer into a powerful kingdom-building movement.

Preparing Wisely

If the Holy Spirit is impressing you to prepare wisely as a faithful steward, we invite you to contact our Planned Giving and Trust Services department at 800-886-4800, or trustservices@3abn.org. We would be honored to walk with you in this journey of faith and legacy. ☺

Our team looks forward to helping you. (L to R): Nancy O'Brien, Jeff Doerr, Charletta Doerr, Tracey Ridenour.

Our Blessings

Overplan

Join your **3ABN** Family for a special day of worship and praise, as we reflect on God's abundant goodness!
